Newton Middle School Accelerated Math / LA Placement Testing

Dear Parents and Incoming Students:

If you are interested in accelerated math and/or language arts classes at Newton we are offering the following dates for student placement testing*. These placement tests must be taken in order to be considered for accelerated classes at Newton. Please RSVP to Newton Middle School, 303-347-7900, indicating what date you would like your student to take the accelerated math and/or language arts placement test. These are the only dates the placement tests will be given. Please report to Newton on time in order to sign in and receive instructions. Testing will begin promptly at the listed times.

Dates for incoming Newton Placement Testing:

Language Arts:	*Monday April 10, 2017*	*(4:15-5:30)*
	Tuesday April 11, 2017	*(4:15-5:30)*
Math:	*Thursday April 13, 2017*	*(4:15-5:30)*
	Monday April 17, 2017	*(4:15-5:30)*

Note: We are finding that it takes about an hour to complete the tests.

BRING SHARPENED PENCILS – NO CALCULATORS

**** This testing is not the only measure used to determine student placement in accelerated math and language arts classes. Student scores from MAPS testing, CMAS testing, grades, and teacher recommendations will also be considered before placement in accelerated classes. Newton Middle School will use this body of evidence to determine appropriate placement for entering students.***
