Strategic Kids LEGO® World of Harry Potter
In this magical class students will be challenged to create the world of Harry Potter with LEGO®! Students will be sorted into a House and earn points towards The House sorted into a House and earn points towards The House Cup. The focus of the class will be to create short stories in places familiar to Harry and his fellow wizards. Be prepared to learn some LEGO® magic

LEGO Engineering Teaches:
Observation
Reasoning
Critical Thinking

Strategic Kids latest Engineering with LEGO course will get things moving. Explore many different ways to get Things to Go! Learn how to use LEGO Power Functions + LEGO Technic bricks. Working in pairs, students will be exploring a wide variety of engineering concepts and simple machines. Students will learn how energy, force, and gravity cause things to move through very exciting, fun and challenging LEGO® builds.

Scholarships may be available. For more information and to apply please visit StrategicKids.com/scholarship
