

Goals for the Evening

- Clarify information and answer questions from last meeting
- Review the criteria to help finalize the array of recommendations
- Adjourn by 8:00pm

Clarifying Questions

- Consolidation of schools will not lead to higher class sizes.
 - Staffing would compliment increased enrollment based on LPS staffing guidelines
- Programs are not school specific. Closure of a school would not mean the elimination of district programs at that school.
- Focus of Task Force is on using criteria not number of representatives from a school
