

Newton Clubs and Activities

GO **BEYOND** THE **Classroom**

An important part of learning is to pursue other interests beyond academics. This could be a hobby or a favorite activity that may not be offered any time during the school day.

**If you are interested in joining a club currently offered,
speak with the club advisor.**

*For more information, visit Newton's webpage:
Explore › Students › Clubs and Activities
or contact Mrs. Sutton - msutton@lps.k12.co.us*

You can

- be a club member!
- create a club of your own!
- be the next club leader!
- make a difference!

NMS is always taking suggestions and would love to hear yours. Ask your friends, ask your teachers, and get started right away!
Contact Mrs. Sutton with your club ideas.
