

## 4th Grade Cartooning Club

September 26, 2016

Dear Parents,

I will be offering a Cartooning Club for 4th grade students. Students will learn how to draw a variety of cartoon characters. The club will meet on the following 4 Tuesdays before school from 8:15-9:00: October 18, October 25, November 1 and November 8. There is no fee for this club. Please fill out the bottom portion of this form and return it to me by Wednesday, October 5. Please keep this top portion for your records. Unfortunately, I only have room for 20 students, so I will only accept the first 20 permission slips. Students will need to turn their form in to me, not their teacher and not in my mailbox in the office. If you have any questions, please email me at [tlacy@lps.k12.co.us](mailto:tlacy@lps.k12.co.us).

Thank you,  
Mrs. Lacy
