Dear Euclid Middle School Parents and Community,

On behalf of the staff, I would like to welcome you to the 2017-18 school year. I am Cindy Corlett and I am honored to serve as principal of Euclid Middle School. This year promises to be a great year of growth and achievement for our school and for our students.

Middle level education is unique indeed! Young adolescent students require programming and opportunities that are different from other levels of education. At Euclid, we provide for these unique needs through academic and affective support systems. By meeting students where they are and developing their strengths, while supporting areas of academic and social/emotional needs, all students grow and find success. To put this belief into action, Euclid is divided into core teams, thus creating smaller learning communities within a larger school setting. Teaming allows students to build relationships with peers and teachers, which as research shows assists in the development of community and increases student learning. Additionally, Euclid offers a robust and developmentally appropriate electives/exploratory program. These components align with a true middle school model and support the varying needs of young adolescents.

Euclid Middle School is a safe inclusive environment where students grow, learn, and thrive. We are thrilled to welcome a new class of enthusiastic 6th grade students to our school and transition the 7th and 8th grade students to a new grade level. To begin the year in a positive way, we offer WEB, which stands for "Where Everybody Belongs" is a middle school orientation and transition program that welcomes 6th graders and makes them feel comfortable throughout the first year of their middle school experience. We also explore the 4 Core Values of *Challenge, Community, Choice, and Character* through the *Every Student a Leader* program. This program provides opportunities for student choice, service projects and outreach opportunities. The positive community and culture at Euclid Middle School is developed using the Positive Behavior Intervention Support (PBIS) program, called Be REAL (Be Respectful, Excellent, Accepting and a Leader). It is a proactive approach to establish behavioral supports needed for all students in a school to achieve social, emotional, and academic success. Through Be REAL, positive behavior is recognized and rewarded on teams and throughout the school community.

The 2017-18 school year will present many exciting opportunities for us to work collaboratively as a community while striving for excellence. It is well known, that students thrive when families are actively involved in the educational experience. The partnership between home and school is an integral part of student success in growth and achievement. The Euclid staff is dedicated to building connections and relationships that assist us in maintaining a community feel that values and supports the unique needs of each student.

# Student Services News

**Counselors: Melinda Morris: 303-347-7820**  
**Tara Kolker: 303-347-7819**  
**Anne Keely, Secretary: 303-347-7810**

## Student Services

Student Services welcomes you to a new school year. "Student Services" is the term used to designate the variety of services and support systems provided for students, parents, teachers and the community that Euclid counselors provide on a regular basis. Please contact your CORE team counselor as your needs dictate at 303-347-7810.

## Immunizations

The Colorado Department of Public Health and Environment requires all students entering 6<sup>th</sup> grade to receive a booster of Tdap. Students are also required to have two doses of Varicella and three doses of Hepatitis B with the last dose being no sooner than six months of age.

If your student has already received a dose of Tdap, two doses of Varicella, and three doses of Hepatitis B with the last dose being at six months of age or later, there are no additional doses required for these three vaccines. If your child was already up to date on immunizations, Tdap is the only new vaccine required upon entering middle school.

Your doctor or medical office may fax over the updated documentation to **303-347-7830**. You may bring in the documentation at any time or during schedule pick up in August.

If you do not have a regular family physician, you can call **Tri County Health** at 303-761-1340 for information about immunizations. 1-800-757-3999 is a centralized number for making appointments for immunizations with Tri County Health. If you have any questions, call the Student Services Office at 303-347-7810.

## Eighth Grade Schedule Information

Eighth graders: You will be able to pick up your schedule on August 15th. Please understand that the counselors have made every effort to build your schedule according to your course requests. Please remember that your second semester electives will not appear on your schedule. Several of you signed up to be an assistant for a teacher or an office. If your student assistantship does not appear on your schedule, you are more than likely scheduled to be with the teacher/office second semester.

Occasionally, it is not possible to honor all of your requests. In these cases we have given you your alternative choice. If you do not receive your first or alternate choice (as indicated on your orange registration card), then you may wish to see a counselor to discuss the possibility of a schedule change.

## Sixth Grade Schedule Information

Sixth grade schedules available on August 15th, will include CORE placement, music, physical education and exploratory classes. Most sixth grade schedules will show a placement in a math class. Students will be placed based on fifth grade information, teacher recommendations, parent input, MAP information, and past math performance.

## Clubs...Activities...Athletics

There are many after school activities offered at Euclid. All activities are announced in the daily bulletin. There are also two bulletin boards in the cafeteria that advertise after school activities: one has information about athletics and the other has information about clubs and activities. Also, the monthly newsletter, *The Falcon Flier*, includes current information about all after school opportunities at Euclid.

### Parent Conferences

Counselors want to remind parents of sixth grade students that the procedure for attending conferences at Euclid may vary considerably from the elementary school your student attended. Conferences are held twice in the fall and twice in the spring. The first scheduled conferences in the fall are from 4:30 to 7:30 P.M. on Thursday, September 21. This **Academic Risk** conference will focus primarily on those students who are having difficulty facing the challenges of adjustment to middle school. All CORE and exploratory teachers will be available for 20 minute scheduled conferences from 4:30 to 7:30 PM. The second opportunity will be on Wednesday, October 18 when scheduled conferences are from 4:30 to 7:30 PM and again on Thursday, October 19 from noon until 3 PM. Arena conferences will be Thursday, October 19 from 4:30 to 7:30 PM. Teachers will be available for a three-hour block of time and parents may talk with staff on a first come first served basis. Some indicators of a need for a conference may include your student's comments about his/her adjustment to middle school, conversations parents may have had with teachers, or parents may desire a conference as a part of the transition to middle school. You will be notified of the date of designated conferences through the newsletter and a memo that is sent home with your student.

All parents are welcome to attend conferences and each family may request a conference when it seems appropriate. However, a conference for every sixth grade student is not routinely scheduled in the fall as you may have experienced in elementary school.

Parents are welcome to request a conference with a teacher(s) at any time during the school year. This type of informal conference can be arranged by calling the appropriate CORE counselor. The counselor will coordinate and schedule the conference in a timely manner. Parents can also call a teacher(s) directly and schedule an appointment.

### Community Resource Recommendations

Counselors receive many requests for community assistance prior to the holiday season. Some of the opportunities are for InterFaith Community Services, Santa Claus shop, gift certificates for students and holiday gift baskets. If you and your family could benefit from one of these referrals, please call the counseling office so we may put you in touch with these opportunities. This would be extremely helpful to us as we are not always aware of needs. Please phone 303-347-7820 (Ms. Morris).

### Change Of Address/Phone Number

If your student will be attending Euclid next year but you have had a change of address or phone number, please call Student Services at 303-347-7810 so that we may update our records. Thank you!

Honor Students earn a 3.5 grade point average or above and no P's, D's or F's. The celebrations are held in September and January. A Letter of Achievement is sent to students with 3.0-3.49 GPA.

**School and Student Safety**

7:30 am arrival and 3:00 pm departure

Students often come early or stay late at school for supervised activities. In order to maintain a safe and orderly environment, we ask that students only remain after school under teacher or parent supervision. The cafeteria and breakfast program is supervised beginning at 7:30 am. It is requested that all students waiting for a ride home be picked up by 3:00 pm unless they are staying for an after school supervised activity.

**Dress Code**

School is a place of work and learning, thus we dress in accordance to this standard.

General standards of appropriate dress include, but are not limited to, the following:

- Students are expected to exhibit reasonable cleanliness in their grooming and dress.
- Unacceptable dress includes clothing that is transparent or revealing, or inappropriate for the particular activity. Examples include, but are not limited to, spaghetti straps, halter-tops, pajamas, slippers or swimwear.
- Shorts or skirts must be fingertip length.
- Undergarments must be covered.
- No low cut shirts.
- T-shirt straps must be at least 2" wide.
- Also considered unacceptable is clothing advertising alcoholic beverages, tobacco, or drugs, displaying gang symbols, or using defamatory or vulgar, offensive or obscene language, design, or message.
- Students may not sag their pants.
- Hazardous apparel or jewelry, such as spiked belts, spiked wristbands, chains, or other items likely to injure the wearer or someone else are not permitted.
- Appropriate footwear is required at all times.
- Clothing must be worn as intended by the manufacturer.
- Hats or head coverings are not to be worn in the building by girls or boys.

**CORE Placement**

When your child receives their schedule for the 2016-2017 school year you will be notified of their CORE placement. The criteria for placing students at Euclid Middle School are:

- ◆ The Student Learning Profile (SLP). This was in the April newsletter.
- ◆ Teacher recommendations
- ◆ Balance in gender
- ◆ Balance in gifted education
- ◆ Balance in special education
- ◆ Balance of academic needs
- ◆ Test results (MAP, CSAP) identifying individual needs, and
- ◆ Budget and staffing considerations.

Counselors and administration spend a phenomenal amount of time to achieve balance in all these areas. It was also very important to make the Student Learning Profile available to all parents. The information you provided on your child, as well as any notes you wrote, gave tremendous assistance in the CORE placement of your child.

**Euclid Accountability Committee (EAC)**

**Check Policy**

Littleton Public Schools (LPS) uses Global Payments Check Recovery Services to facilitate the collection of returned checks due to non-sufficient funds (NSF) and closed bank accounts. Returned checks issued to LPS will reach Global Payments approximately 30 days from the date on which the check was written.

Please note the following:

**Non-sufficient funds check** – In most cases your personal bank will have notified you of this returned check. You will have received this notification prior to our receipt at LPS of the original returned check. You are encouraged to contact the recipient (school / department / program) and make arrangements to settle the amount due. Settlement of the check prior to our submission of the check to Global Payments is your only opportunity to avoid the collection process and fees.

**Closed account check** – Although every effort is made to deposit checks within two weeks of receipt by LPS, please check with your bank to ensure that every check written has cleared prior to closing an account. Our staff will be happy to assist you in determining the status of a check on an account you anticipate closing.

The collection process is similar to the one used to collect returned checks for local retailers. The key steps in this process are:

1. The returned check will be entered into the Global Payments data bank. This will affect the ability of the check writer to pay with checks at local retailers.
2. Subsequently, a Global Payments representative will attempt to contact the check writer by phone and/or by mail to make arrangements for payment of the returned check plus a fee (minimum fee of \$40.00).
3. After 45 days, Global Payments may report the returned check to all three major credit bureaus.
4. After 60 days, Global Payments may opt to litigate to recover face value of the check plus collection fees.

If you have questions, please contact our bookkeeper at 303-347-7801. Thank you for your cooperation.

The Littleton Public Schools Student Code of Conduct is online. Easily accessible links to an online Code of Conduct will be available on each school website and the district website. Families will be able to print it out at home if they wish, or they can choose to simply access it online.

Many school districts have moved to an online Student Code of Conduct as a way to save money and use less paper. In the past, LPS printed more than 20,000 copies of the booklet each year.

Printed copies of the Student Code of Conduct will still be available in each school and for parents upon request.
