## Vision Statement

A leading school where excellence and tradition meet innovation

## Mission Statement

To provide: a community of collaborative learning, rich culture, and meaningful relationships that prepares each student for their future

## Arapahoe UIP Goal

100% of Arapahoe students will graduate prepared for meaningful post-secondary opportunities

Dear Arapahoe Parents,

April 2018

The April edition of the Drum Beat is always an exciting one because it is the first time we include our new Warriors who make up the **Class of 2022**! All families of current eighth graders who will attend Arapahoe next year, as well as our current ninth through twelfth grade families, are invited to view this newsletter. We do this so you may be aware of the important dates and events relevant to freshman students; and more importantly, so you can read about high school life as it exists at Arapahoe. The Arapahoe faculty is well aware of the importance of the transition from middle school to high school, and this newsletter is another effort to communicate high school expectations and events to assist with this transition. Please pay particular attention to upcoming dates found throughout this newsletter. In August, every Arapahoe student will receive a copy of our **Arapahoe Student Planner**, which not only contains the Arapahoe Student Handbook, but has become a popular, successful tool for learning. Students are taught how to use it and are expected to carry it at all times.

Many important state assessments are right around the corner. In this issue of the Drum Beat, you will find important details about the upcoming standardized tests for our students. All **freshmen** will take the **PSAT-9** on **Wednesday, April 11**. All **sophomores** will take the **PSAT-10** on **Tuesday, April 10**. All **juniors** will take the **Colorado State SAT** or the **SAT + Essay** on **Tuesday, April 10**, and the **Colorado State Science CMAS** on **Wednesday, April 11**. The results of these assessments help guide our faculty in setting goals for Arapahoe's academic school improvement and professional development each year. They are also helpful in identifying appropriate academic interventions for individual students. We are thrilled for our sophomores and juniors to have a **free opportunity** to take the PSAT 10 and SAT respectively. In their junior year, the sophomores will have the opportunity to take the PSAT to try to qualify for National Merit Scholarship opportunities. Results from the SAT taken as juniors can be used for college and scholarship applications in the senior year. Many colleges and universities will take the best scores on the SAT, so the State SAT results can help individuals identify areas where they can better prepare through additional coursework to try to improve their scores. **We encourage and expect our Warriors to do their very best on these important exams.** As parents, you can help by ensuring students get plenty of rest, eat well, and attend school each day of the testing period.

On the Friday before spring break, Arapahoe welcomed **over 80 guests from the Arapaho Tribal Nation** to help celebrate and renew our relationship with the special people for whom our school was named. It was a wonderful opportunity for our students to interact with many of the Arapaho people. They shared their traditions and culture with us through classroom visits, and they danced with us and for us in an all-school assembly. We were honored by their visit, and hope to be able to make the trip to the Wind River Reservation in Riverton, Wyoming, with students and staff next spring.

Certainly, an exciting time in the high school year is **Prom**! It is coming quickly; this leads to many questions by parents and students. It will be held this year on **Saturday, May 5, 2018, from 8:00-11:00 p.m. at Mile High Station**. Prom is a very special and formal dance that is sponsored by the junior class to honor the seniors. Because this dance is so special, students tend to assume that it is necessary to spend large amounts of money to ensure the evening is memorable. Parents, please know that Arapahoe High

School does **NOT** endorse the idea of spending an outrageous amount of money on Prom, but rather does endorse the idea that Prom is an opportunity for students to join together in a positive environment for an evening of dancing and celebration with friends. We encourage **all seniors to attend**, whether or not they have a date. Appropriate attire for this formal dance is "dressy dresses" for girls and suits or sport-coats and slacks for boys – clothes such as they would wear to any formal occasion in their lives. Dining out is, of course, an option. However, a popular choice in recent years is for the parents of several couples to prepare and serve dinner in one of their homes. Students have reported this is great fun for them, as well as for their parents.

Arapahoe High School is fortunate to have one of the most outstanding **After-Prom** parties anywhere. Led by co-chairs Katherine Hahn and Heather Hill, our wonderful and generous PTO operates the party from **midnight until 4:00 a.m.** at a very reasonable cost to our students. This year's theme is "**Lights, Camera, Arapahoe!**" The AHS After-Prom is an extremely viable and enjoyable alternative to the expensive commercial hotel activities some of our students choose. Once again, this year's PTO After-Prom celebration will provide many hours of music, games, entertainment, and good food in a safe, alcohol-free, well-chaperoned environment within our high school. We expect the students to remain at After-Prom until at least 4:00 a.m.; otherwise, we telephone parents. After Prom is a SAFE alternative to unstructured activities. For the past several years, many groups of students have designed **matching t-shirts for After-Prom**. Please note that Arapahoe High School **does not encourage this** and that this year, **each student who purchases a Prom ticket will receive a 2018 Prom T-shirt from the junior class!** We view additional After-Prom t-shirts as unnecessary and an added expense. However, if your son or daughter chooses to participate in this activity, please help us ensure that **all t-shirt designs are school appropriate. All t-shirt designs must be pre-approved** on either **Friday, April 20** or **Friday, April 27 in the cafeteria during both lunches**. T-shirts with offensive slogans, innuendos, pictures, or diagrams will not be allowed.

**The Class of 2018, academically, is one of our strongest graduating classes ever!** In addition to 15 National Merit and Commended Scholars, Griffin Hampton has also been awarded one of the prestigious **Boettcher Scholarships**. This scholarship is awarded to only a select few of the best and brightest students in Colorado. We can all be very proud of our outstanding scholars, and we look forward to hearing of many more scholarships and awards that will be offered to our graduating seniors this spring. Students are encouraged to visit our **Post Graduate Center** and get information about the numerous scholarship opportunities available. Upon request by students or parents, our parent Post Grad Center volunteers, led by the program coordinator, **Kristin Hall**, will help conduct scholarship searches. Last year's graduates were awarded just over \$21 million in scholarship money.

**It is not too late to improve those semester-two grades. Our variable schedule**, which was created by the Arapahoe staff more than fifty years ago, provides students time during the school day to **meet with teachers in departmental offices** to receive additional academic assistance, become involved in discussion with adults, clarify assignments, or just get to know a significant adult better. **Unscheduled time** also affords students time to visit the **library, meet with counselors**, as well as **get a jump on homework**. Unscheduled time is a privilege providing students some control over the school day. The self-discipline learned from making good use of unscheduled time is long-lasting and necessary for students heading for college. Arapahoe graduates attending college continually return to share with us their confidence gained due to the experience of variable scheduling.

Our **Academic Study Center** has effectively provided tutoring for students requiring additional academic support. This center reinforces achievement by keeping students in classes while giving the student an opportunity to work on various assignments in a supportive environment during an unscheduled hour. It is available every period, every day, either on a drop-in basis or as a pass/fail course for elective credit.

**JUST A REMINDER.** . . With spring break behind us, and sunny, warm days approaching, it often is a challenge to remain on task. The final weeks of the school year are academically very important to all students. This is the time of year classroom activities, and **expectations have not been reduced**, but rather require student focus on preparation, daily attendance, performance, and a commitment to achieve. If there are any indications that the academic standards, homework, and out-of-class assignments at Arapahoe High School are lessening because of warm weather, parents are encouraged to contact the appropriate teacher. I am sure parents will discover the reverse is true. Seniors need to

remember that college acceptances can be revoked if a significant decline in semester grades occurs.

Safety is a major focus during all of our special end-of-the year activities. Last February, I sent out an email containing information on a particular vape pen called a Juul. They have grown increasingly popular among students in just a year. While the Juuls we have found thus far during student searches only contain nicotine, Juuls and other vaping devices have the potential to be manipulated to contain THC, the active chemical in marijuana. This [flyer from LPS](#) contains images of Juuls and other devices used most commonly by students. In an effort to greatly deter students from carrying and/or using these devices, we are **tightening the consequences for possession** of these devices on our campus. Beginning **Monday, April 16, 2018**, students caught in possession of a Juul, or other vaping devices, will face a **minimum of a one day suspension**. Further offenses will result in more significant consequences. The first offense for active use of tobacco (including electronic/vape devices) during the school day will continue to result in a minimum of a one day suspension.

I also wanted to share a **new resource** with regard to **helping teenagers use technology, especially social media, responsibly**. This particular article discusses the "[Negative Effects of Snapchat for Teens](#)." Snapchat is currently the most popular social media used by teenagers. While this article teaches readers about the negative effects of Snapchat, **many of the tips included also help parents guide their teenagers in the safe, responsible, and productive ways to use social media**. I am excited to invite you to the second event of this school year sponsored by the Arapahoe County Sheriff's Office. Please see this [flyer](#) for information on the next **Arapahoe County Youth Education and School Safety (YESS)** program presented by our AHS school resources officers on Wednesday, April 18, 2018. I attended the first one last semester and found it to be very informative and relevant.

Once again, I would like to thank all Arapahoe parents and families for the continued support of our high school. Please contact us at any time with questions or concerns or just to say hello. Thanks for all you do.

Sincerely,

Natalie Pramenko

Principal

### **GRADUATING SENIORS**

There will be a mandatory  
Senior Class Meeting  
in our Arapahoe Theater on  
**Wednesday, May 2<sup>nd</sup>** during TRIBE  
Important graduation information will be shared

### **PARENTS OF GRADUATING SENIORS**

Please check your mailboxes! At the beginning of April, a letter will be sent home to graduating seniors and their parents with detailed information about graduation.

In the meantime, please refer to the **GRADUATION website** now to get a jumpstart on all things graduation related:

<https://sites.google.com/lps.k12.co.us/ahsseniorsgraduation/home>

## Arapahoe Course Registration—A New Approach

We are proud to announce that, **we are changing course registration this spring in the best interest of student scheduling.** In an effort to streamline the scheduling process and honor the work time of teachers and counselors, **we will not host Arena Scheduling.** The following changes have been made:

**Incoming Seniors (the class of 2019)** will register during the school day, by appointment according to last name, on Tuesday, April 24 and Thursday, April 26. At that time, students will design their schedule with an AHS staff member.

**Incoming Juniors (the class of 2020)** will register during the school day, by appointment according to last name, on Tuesday, May 1 and Thursday, May 3. At that time, students will design their schedule with an AHS staff member.

**Incoming Sophomores (the class of 2021)** will be scheduled automatically by the computer according to their course requests. These schedules will be made live on Friday, May 18.

**Incoming Freshmen (the class of 2022)** will be scheduled automatically by the computer according to their course requests. These schedules will be made live in August.

In making this change, the AHS administration, counseling department, and department chairs were guided by the following rationale:

At Arapahoe, we honor the values of scope and sequence/scaffolding for students as they progress through their education. Underclassmen will wait to scope their choice in schedule until they are older and have different demands on their schedules, such as drivers' licenses and jobs. With maturity and experience comes a deeper, more informed understanding of how to design a schedule to best meet the needs and interests of students as they prepare for college.

Required courses for graduation occupy a significant portion of freshmen and sophomore schedules; thus there is inherently little room for choice in these years.

Computer scheduling underclassmen allows for a more natural balancing among sections. This creates the best learning environment for students and teachers, and helps us create a schedule that meets the needs of the students.

In the past, sophomores have been the last class to build their schedules in arena scheduling. At that time, many sections of classes have been closed, which caused a significant amount of undue emotional distress for both students and their families.

More information was provided to students when counselors made their annual registration visits to classes during the week of March 19 – 23, 2018.

### Counseling Center Information

#### AP Exams

Please view AP testing information on this [website](#) for scheduled days and times of exams and locations. Students who have an AP exam are excused from school during the exam time. AP exams are administered at the Ames Facility at 7300 S Clermont Dr, Centennial ([map](#)) and Arapahoe High School. Student arrival time TBA at Pre-Registration. **All students registered to take an AP exam MUST attend one pre-registration meeting. Pre-registration meetings will be on April 17th and 18th in the Forum. Meetings will be held every hour, except fourth. Students must attend during an off-hour.** Each AP exam costs \$95.00. A billing statement from the AHS Bookkeeping Office reflecting the cost of the ordered exam(s) was mailed in March. Payment is due upon receipt of the billing statement and prior to April 20, 2018. **Checks should be made to Arapahoe High School. Questions about AP testing may be directed to one of our two AP Coordinators, Ron Lewis at 303-347-6015 or Katie Zimmerman at 303-347-6061.**

#### Senior Information—Attention Parents of Seniors

If your senior student received a **D** or an **F** on the first six-week grade report for second semester, please encourage your student to attend every class every day and to speak with the teacher of the class where the low grade was earned. If there are any questions, please contact your student's teacher.

#### Junior Information

Counselors met with Western Civilization classes on March 19th to discuss graduation requirements and to distribute AHS registration materials for the 2017-2018 school year to all juniors. Course requests for next year are due in Infinite Campus by April 12th. Then on April 24th and 26th, juniors will be meeting with staff at their assigned registration time to register for their 2018-19 classes.

## Counseling Center Information, cont.

### State SAT

All Juniors will be taking the SAT on Tuesday, April 10. **Juniors will be filling out their pre-registration information for the SAT during their April 4th TRIBE class.**

### SAT Subject Tests

It is strongly recommended that students take the SAT Subject Tests at the end of their Junior year, especially if those exams are required by the college the student plans to attend. It is up to the student to check and see if the SAT Subject Tests are required for entrance.

### Freshman and Sophomore Information

Counselors visited the Sophomore English 10 classrooms on March 20, and the Freshman English 9 classrooms on March 22 to hand out 2018-2019 registration materials and explain the class schedule registration process. Course requests for next year are due in Infinite Campus by April 12th. Then on May 1st and 3rd, sophomores will be meeting with staff at their assigned registration time to register for their 2018-19 classes. Also, all sophomores and freshmen will be pre-registering for the PSAT 10 and PSAT 9 in their April 4th TRIBE class.

### Summer School Information

**The Summer School Program will be held in conjunction with Arapahoe Community College again this year during June and July. Programs offered will be:**

- Day Summer School Program
- Evening Summer School Program
- Online Summer School Program

**Registration will begin the first week of April and deadline will be the last week of May. Course schedules are available in the Arapahoe Counseling Center or online. Any questions, please contact Arapahoe Community College at 303-797-5722.**

### Scholarship Scams

As college costs have continued to rise, so have the number of scams trying to take advantage of those looking for help to pay for college. When searching and applying for scholarships, students and their parents need to be aware of the types of scams and how to avoid them.

#### How to Identify Scholarship Scams

- Fees—If a scholarship application requires that the applicant pay a fee, this is very likely a scam. Institutions that award scholarships have no reason to ask for money; their goal is to give money away.
- Guarantees—If a scholarship service promises a "scholarship guarantee" or "your money back," stay away!
- Unsolicited Scholarships—Unsolicited scholarship phone calls or letters should be met with skepticism. Never give personal information such as social security number, credit card, or bank account numbers to anyone over the phone or on an application.
- Too Good to Be True—Services that use the phrases "Guaranteed Winnings," "Money Back," "Everyone is Eligible," "Unclaimed Money," "We do all the work," "You can't get this information anywhere else," are clues that they are not legitimate.

#### Other Financial Aid Scams to Avoid

- Fake websites—FAFSA.com or FAFSA.org are NOT official websites for completing the Free Application for Federal Student Aid. These sites and other financial aid websites tempt students to complete the online FAFSA through their site and charge the applicant money after they have entered personal financial information.

**The only official website is [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and it is FREE.**

- Loans with up-front fees—Although there are fees associated with legitimate government and private loans, the fee is almost always deducted from the disbursed amount. The borrower should not pay fees up front without first verifying carefully that the lender is legitimate.

## Performing Arts Department Students Of The Month

The Performing Arts Department would like to recognize and thank the following outstanding students who were named Students of the Month for April 2018:

**Vocal Music:** Cody Murrow  
**Instrumental:** Lauryn Hendricks  
**Theatre:** Gabrielle Gerle

Again, thank you for sharing your talent, energy, and time.

## Post Grad Center

**COLLEGE NIGHT:** College Night, held on March 19th drew 950 RSVPs! With this year's format, all who attended were able to hear the keynote speaker, Jill Athenour, an Independent College Counselor with *Head to College*. If you attended this event, please click [here](#) to submit your feedback!

**SENIOR SCHOLARSHIP AWARD LETTERS:** Seniors! PLEASE bring copies of ALL of your scholarship award letters (even those you are not accepting) to Mrs. Hall in the Post Grad Center as soon as possible. This information must be input in Naviance in a specific format, which will be done for you, if received by April 14th.

**SENIOR EXIT SURVEY:** Senior Exit Surveys will be completed during TRIBE on Wednesday, April 4th. If a senior misses TRIBE, they must complete the survey independently before graduation cap and gown pick up.

**SENIOR AWARDS CONVOCATION:** Seniors graduating with high honors (3.8), honors (3.5), and any seniors accepting scholarships will be invited by Mrs. Pramenko's assistant, Mrs. Clark to this special event. Please be sure we know about your scholarships!!

**JUNIORS:** Junior Post Grad visits will wrap up this month. Please stay tuned to the announcements to learn about on an upcoming informational session on a PLC Wednesday morning to review the application timeline and other processes specific to AHS.

## Student Council News

All Arapahoe students are invited to student council meetings every Tuesday morning at 6:20 a.m. in the forum.

## News from the Art Department

The Art Department has been featuring an Artist of the Month who has been chosen because of his/her outstanding technique and originality. The Artists of the Month are some of our most dedicated and talented artists who have shown great creative accomplishments. April's Artist of the Month is Senior **Olivia Bilek**. Check out her work outside of the main office.

We are looking forward to our **14th annual Art Attack**, a school wide art show that will be on display in the East wing and the AHS library starting April 9th. Please stop by to check out all of the wonderful artwork. Art Attack is a juried show and there will be a reception on April 17th from 7pm to 8pm for students, friends, and family to enjoy the art. Winners from each category will be announced at 7:30pm.

Students, as you start choosing classes for next year, don't forget to add your favorite art classes! Please visit the Art Department web page for descriptions of all the courses we offer here at AHS. If you have questions, feel free to ask any of the art teachers.

## Arapahoe High School Journalism Information

### Journalism Students Win Top National Awards

Recently, the student journalists of AHS received several very prestigious awards. The Herald news magazine and the ArapahoeXtra.com student website, as well as The Calumet yearbook were honored with **Silver Crown Awards** by the Columbia Scholastic Press Association in March. This is the 4th consecutive year the yearbook has won a Crown Award. The Crown Awards are one of the two highest national honors for scholastic journalism. The other top national award is the **Pacemaker** from the National Scholastic Press Association. The Herald was a Pacemaker Finalist in November, and The Calumet is a Pacemaker Finalist this semester. Winners of the Pacemaker award will be announced at the national convention in April in San Francisco.

### Journalism Applications Are Available

Any students interested in working on The Herald news magazine, The Calumet yearbook, The Spear sports coverage and live broadcast team and the [ArapahoeXtra.com](http://ArapahoeXtra.com) staff should contact the adviser, Greg Anderson, at [ganderson@lps.k12.co.us](mailto:ganderson@lps.k12.co.us) for information and an application. Instructor approval is required to be part of the student media staffs.

### Class of 2019 ~ Senior Portrait Information

The yearbook staff will mail a packet in early May to all members of the Class of 2019 with information about senior portraits, senior biographies, and senior memory ads. We will include promotional brochures and materials from the AHS Yearbook Senior Photographers & Sponsors for 2018 – 2019 for you to look over and to help with your selection of a photographer.

The deadline for seniors to submit their senior portrait is **Wednesday, Sept. 26, 2018**. Seniors should also submit their senior biography by that date, if they choose to have that optional information included in the yearbook. The photos which are taken at schedule pick-up in August and used for student IDs are **not** the photos used for seniors in the yearbook. Seniors need to submit a portrait to the yearbook by Sept. 26th. Please plan ahead and make arrangements and appointments with your photographer as soon as possible. We recommend that you have your portrait taken by July 31<sup>st</sup> to receive the best prices and to avoid the rush as the school year begins anew.

Our AHS Yearbook Senior Photographers & Sponsors offer a wide range of prices and options, and will be happy to assist you with your senior portrait planning. See the brochure for other low-cost options, and contact the yearbook staff at [AHSSeniorPortraits@gmail.com](mailto:AHSSeniorPortraits@gmail.com) for suggestions.

We will also include a senior ads brochure in the spring mailer sent to all members of the Class of 2019. Senior memory ads are placed in a section of the yearbook reserved especially for parents and friends to congratulate their graduate. Memory ads can be created for individual seniors, for best friends or groups of friends, and for seniors who are members of an athletic team or extracurricular club. Memory ad orders and payment are due on **Wednesday, Oct. 24, 2018**.

### Yearbook Distribution Day ~ May 14, 2018

The 2018 yearbook will be distributed from 2:20 to 3:00 pm on Monday, May 14th in the cafeteria. Following that event, we will distribute books in the cafeteria during both lunches and after school until May 16th. Any yearbooks not picked up by May 16th may be re-sold. In order to pick up a yearbook, students will be asked to show their school I.D. card or a driver's license or a printout with their picture from Infinite Campus. To check whether you ordered a yearbook, check the "Fees" tab in your Infinite Campus account or look at the list posted next to the journalism room E-1288.

While we may have some extra books for sale at distribution day and during the week after, we can make no guarantees. We do not have the budget nor the storage space to order extra books on a speculative basis. However, often the printing plant sends us a few "over-runs" or extra copies. If we do have any extras, we will sell them starting on May 14th on a first-come, first-served basis for \$80, which can be paid in cash or by check made payable to Arapahoe High School.

## GET UP AND DANCE!

Have you always wanted to dance on the sidelines of a football game, support your basketball, volleyball and other Warrior teams at their games, or compete against other high school dance teams throughout the state and nationally? Then mark your calendars and come to the information meeting to find out more about being an Arapahoe TOM! The meeting will be held on Tuesday, April 3rd in the Forum at 7:00 p.m., and tryouts for the 2018-2019 dance team will be held the week of April 9th—13th.

**\*Please note that parent/student attendance at the informational meeting is necessary in order to attend the tryout. Please have a current physical and get registered online before tryouts begin!**

Get the most current dates/times for all events at [toms.ahswarriors.org](https://toms.ahswarriors.org)

## Important Attendance Reminders

- When calling your student in, please leave the following information (speaking slowly):
  - Your student's name—last name, then first name — **please clearly spell the last name**
  - Your student's grade
  - The date of the absence
  - The class period(s) that your student will miss
  - **Please Do Not Forget The Reason for the absence (Out of Town, Sick, Apt)**
- Calls received by 1:30pm are processed to Infinite Campus the same day. Calls received after 1:30pm will result in an Automated Message that night and will be processed the next school day to Infinite Campus. If you have called in an absence for your student before 1:30pm and still receive the automated message call in the evening, please consider your student may have missed a different period than what you have called in, or, perhaps it is for a sibling. You can verify your student's absence on Infinite Campus.

### PLEASE NOTE:

**Due to the high volume of phone calls (300+ voicemails per day), please only call one time and leave one message per student.**

All excused absences must be called in to the Attendance Office by a parent or guardian **within 24 hours**. We do not accept written notes or emails.

Students must pick up a pass from the Attendance Office in order to leave school during the school day. A parent must leave a message on the attendance line to arrange for the pass. **The student is responsible for picking up the pass before the scheduled departure time.** Please have your student sign in at the Attendance Office upon returning from an appointment.

**ONLY parents/guardians** are allowed to call in student attendance. If a student has reached the age of eighteen, the parent must still call in, as calls are not accepted from students.

If your student becomes ill while at school, they should go to the Health Clinic which is located in Student Services, where they can wait to be picked up/released. Students are not allowed on campus if they have been called in sick.

To check student attendance, access the Infinite Campus Parent Portal.  
Thank you for your help in making the attendance process as efficient as possible.

## News from Your PTO President

The LPS Foundation Spirit Dinner is Saturday, April 14<sup>th</sup> at the CU South Denver Wildlife Experience. We would love to have as many Arapahoe parents join us!

- Bid on awesome auction items via mobile bidding
- Enjoy yummy food and drink stations as you wander through the exhibits
- Raise your paddle during the spirited live auction
- Raise it again for mental health support for the district
- Dance the night away !

The mission of the Littleton Public Schools Foundation is to raise funds to support and enhance the LPS tradition of excellence in educating students throughout our community. They strive to bring together parents, business people, educators, and community leaders into a single, unified community of support for our already successful school system.

To register for the dinner, or for more information, please visit their website: [www.lpsf.littletonpublicschools.net](http://www.lpsf.littletonpublicschools.net) Be sure to join us as we support this amazing event!

Thank you to all who helped support the Parent—Teacher Conference staff dinner. The food was delicious and the financial support was overwhelming. The teachers and staff greatly appreciated nourishment throughout the evening. The Arapahoe community is amazing!

## Arapahoe After Prom

*Countdown to After Prom!! Have you been thinking about volunteering for After Prom and just haven't gotten to it? Well now is a great time! Work nights are every Tuesday and Thursday evening from 7:00 pm - 9:00 pm in the AHS Art Rooms E1277 and 1279. No need to bring anything but your enthusiasm! Additionally, be on the lookout for several Sign Up Genius' that will be sent out to fill the many volunteer positions needed to make this event the premier event it has been for decades! Things we need your help with are:*

- **Set-up** the afternoon of **Friday, May 4**
- **Set-up** the night of After Prom (midnight - 4:00 am) - **Saturday, May 5th**
- **Donating** the many items that help make this event so special
- Providing the **food** to feed a thousand or so hungry teenagers
- **Clean up** after the big event at 4:00 am!
- Lots of parents needed to staff the **Casino** for After Prom (this years contact is Greg Ledesma [gregledesma@comcast.net](mailto:gregledesma@comcast.net).)

*After Prom tickets will be sold during lunch on May 2, 3, and 4. Tickets will be \$20 if purchased early and \$25 at the door. There will be posters around the school advertising ticket sales.*

*Mark your calendars to participate in the **community walk-through** of Arapahoe HS to get a sneak peek at the After Prom transformation on Saturday, May 5 from 11:00am - 1:00pm. Enter on the west side of the school, bring your kids, friends and neighbors and marvel at the talent of our AHS community.*

**ATTENTION SENIOR PARENTS** - see template instructions for creating your student's senior collage on the next page. They will be displayed in the Senior Hallway so please make sure to get that done.

*Arapahoe High School is so lucky to keep this tradition alive and it is only through your generous contributions of time and talent that it is possible. Thank You!*

## 2018 After Prom—ATTENTION SENIOR PARENTS

It is a tradition at AHS to have a "senior picture gallery" at After Prom. We are asking you to create a collage for your child that will hang in the hallway the night of the event. **The theme this year is: A SECRET so mums the word - until May.** All collages will be created in the shape of a clapper board. Please follow the directions below. We look forward to seeing your wonderful creations.

### MAKING YOUR COLLAGE

1. Gather all your photos—use color copies if you don't want to use originals. Some ideas for the collages can be: a "friends" collage, a senior year collage, a high school years collage, a sports collage, a family memories collage, milestones in your kids life—whatever you choose, have fun!
2. To start, purchase a piece of standard 22x28 poster board in **black**. Please do not purchase the heavyweight board as it will be too heavy to hang. The background that the collages will be hung on is gold.
3. Cut the poster board into a shape of a clapper board—see attached drawing for dimensions.
4. Follow diagram for placement of student's name, AHS, and 2018.
5. Glue your student's pictures to the front; please do not use tape as it will not keep the pictures on the poster board. (Laminating will keep all pictures in place—see below.)
6. Neatly, on the back of the clapper board, list the student's name, parent's first and last name, and a contact phone number.
7. **Once completed, consider having your collage laminated. This service is available at Staples in the Streets of SouthGlenn. We highly recommend this for the best presentation and longevity of your student's collage. The cost is approximately \$8.00.**
8. Deliver your collage to the school's main office between April 25<sup>th</sup> and May 3<sup>th</sup> before 3pm each day and place the collage in the large collection box.
9. The collages will be available for pick up in the main office from May 7<sup>th</sup> to the 11<sup>th</sup> by either a parent or the student.

Thanks—have fun creating memories! Kristin Babbs and Dawn Ives are this year's Senior Hall Co-Chairs. If you have any questions, please do not hesitate to contact them at: [kbabbs@lps.k12.co.us](mailto:kbabbs@lps.k12.co.us) or [dives@lps.k12.co.us](mailto:dives@lps.k12.co.us)

## **Spring Has Sprung**

The end of the year is coming like a freight train, and with it comes great weather and fun activities. After working many years on patrol, spring can be a dreaded time of year. With the warm weather and major events, there are usually many calls for juvenile parties. Contrary to popular belief, officers generally dislike giving young people tickets. Officers also struggle even more when dealing with the devastating effects of underage alcohol consumption. Please enjoy your activities and accomplishments of the year with responsibility and think safety and legality first.

**PLEASE REMEMBER**, there are unpleasant consequences for being caught during irresponsible underage drinking activities. Some potential consequences are criminal charges, fines, community service, and losing privileges, but other risks are often far more permanent and life impacting.

Persons under the age of 21 can be charged with possessing and consuming alcoholic beverages and/or marijuana and, if caught driving, can be charged with a DUI when the blood alcohol content is 0.02 or greater. This means that youth under 21 can be charged with an alcohol-related crime when any indication of intoxication is present.

Let's Have a Great and Safe School Year!

Alive at 25 is a highly interactive program that specifically targets young drivers between the ages of 15 and 24 and encourages them to consistently practice safe and defensive driving habits. Traffic crashes are the leading cause of teen fatalities, accounting for 44% of teen deaths in the United States. The program utilizes workbook exercises, interactive media, group discussions, role-playing, and lectures to help drivers develop the lifesaving defensive driving skills and strategies which will keep them safer on the road. All young people, ages 15-24, in the community are eligible to participate in Alive at 25. For further information on how to use this certificate to obtain a driver's permit, please [click this link](#).

If you miss this class, check the school's website for the next class available to Arapahoe students. For questions, call Deputy James Englert at 303-347-6086.

## Senior "DITCH" Days

Arapahoe High School **does not, cannot, and will not** condone any activities surrounding a Senior "ditch" day or days.

All students are expected to be in all scheduled classes every day. Students who miss classes on "unofficial" ditch days **will be considered UNEXCUSED**. Many dangerous situations and even deaths have occurred through the years in the metro area when seniors have chosen to ditch and "party" during school days in the spring.

**Parents**, for the academic rigor, health, safety and welfare of your child, please **DO NOT** support the activities of an "unofficial" senior ditch day.

## News from AHS Bookkeeper

**ALL FEES ON STUDENTS ACCOUNTS ARE NOW DUE!** Please check Infinite Campus to see if you have unpaid fees. All class, athletic and activity fees are on accounts as well as many book and class fines.
