This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go online at [www.cigna.com/sp](http://www.cigna.com/sp). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p>For <a href="#">in-network providers</a>: <b>\$1,500</b>/individual or <b>\$3,000</b>/family                      Combined medical/behavioral and pharmacy <a href="#">deductible</a> <a href="#">Deductible</a> per individual applies when the employee is the only individual covered under the <a href="#">plan</a>.</p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the policy, the overall family <a href="#">deductible</a> must be met before the <a href="#">plan</a> begins to pay.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p>Yes. In-network <a href="#">preventive care</a> , immunizations &amp; preventive medications are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p>No.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p>	<p>For <a href="#">in-network providers</a> <b>\$3,000</b>/individual or <b>\$6,000</b>/family                      Combined medical/behavioral and pharmacy <a href="#">out-of-pocket limit</a>.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, the overall family <a href="#">out-of-pocket limit</a> must be met.</p>
<p><b>What is not included in the <a href="#">out-of-pocket limit</a>?</b></p>	<p><a href="#">Premiums</a>, <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
<p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>	<p>Yes. See <a href="http://www.myCigna.com">www.myCigna.com</a> or call 1-800-Cigna24 for a list of <a href="#">network providers</a>.</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a>). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>

Choice Fund Open Access Plus IN HSA Plan**

**Selection of a Primary Care Provider** - your plan may require or allow the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. If your plan requires designation of a primary care provider, Cigna may designate one for you until you make this designation. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit [www.mycigna.com](http://www.mycigna.com) or contact customer service at the phone number listed on the back of your ID card. For children, you may designate a pediatrician as the primary care provider.

**Direct Access to Obstetricians and Gynecologists** - You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. ¿Cuáles son las <u>expensas que no cuentan para el límite de gastos del bolsillo</u> ?	Primas, cargos por saldo de facturación y atención médica que no cubre este plan.	Si bien usted paga estos costos, los mismos no se tendrán en cuenta para el <u>límite de gastos del bolsillo</u> .

Pagará más si usa un <u>proveedor fuera de la red</u> , y es posible que reciba una factura de un <u>proveedor</u> por la diferencia entre el cargo del <u>proveedor</u> y lo que su <u>plan</u> paga ( <u>saldo de facturación</u> ). Tenga en cuenta que su <u>proveedor de la red</u> podría usar algún <u>proveedor fuera de la red</u> para algunos servicios (como pruebas de laboratorio).
