

Dear Parents,

I regret to inform you that the Recorder Karate concert is going to be canceled this year. Unfortunately I will be out of town earlier than I anticipated being in my friend's wedding. I am very sorry for the late notice as I know that the students and their families have been looking forward to the concert. I encourage you to sign your student up again next year if they are in 3rd or 4th grade so they can continue with their current belt and be even further along for the concert next spring. Please let me know if you have any questions,

-Samantha Kelly
