Special request or other concerns:

Parent or Guardian Permission

I understand if my child has difficulty cooperating in class, an instructor will contact me to clarify program expectations. If a problem continues or interferes with instruction, I understand I may be asked to withdraw my child from the program without refund. I understand there are no refunds after the first day, or if class cannot be held due to delayed start of school/cancellation. Because this club culminates in a performance, each student is integral to the club and to the best of my knowledge, my child is able to attend the final dress rehearsal on 11/15 at 8:00 AM, perform the same evening at 5:00pm, and attend each class except for (list date(s) of conflict) _____.
