

October 3, 2016

Dear Seventh Grade Parents:

I want to let you know about an exciting new opportunity that may be a fit for your student next year.

Early High School
An Accelerated Program for Eighth Graders at Littleton High School

Littleton High School and Littleton Public Schools are working together to create a program for students who want to get a jump start on high school.

- Is your student already enrolled in accelerated courses and asking for more? Are you providing academic enrichment through summer camps or after-school programs in science, math, world language, music, technology, and the arts? Would you like more for your student during the school day?
- Do you have a student who will be ready for high-school level instruction in music, technology, or art as an eighth grader? Would you like your student to take care of academic pre-requisites earlier, in order to take better advantage of opportunities such as Advanced Placement, International Baccalaureate, Concurrent Enrollment, Online Studies, Area Career and Technical School Programs, or even Study Abroad?
- Do you think that your student would be socially and emotionally ready to succeed in a very supportive high school environment as an eighth grader?

If you do, join us at an information session later this month to learn about **Early High School**, a unique, public, one-year, full-day program for eighth graders on the campus of Littleton High School, opening in August, 2017.

Register online now to attend an information session:

Tuesday, October 25, 2016, Littleton High School, 7 p.m., or
Wednesday, October 26, 2016, Littleton High School, 8 a.m.

Also register online for a parent/student school tour:

Tuesday, November 1, 8-9:30 a.m.
Thursday, November 3, 8-9:30 a.m.
Friday, November 4, 8-9:30 a.m.
Friday, November 11, 8-9:30 a.m.

We look forward to sharing this unique opportunity with you and your student!

Sincerely,

Amy R. Oaks, PhD
Principal
Littleton High School
