## MISSION STATEMENT

Our mission is to create an engaging teaching-learning environment that values student individuality and encourages students to:

- recognize and achieve their full potential,
- collaborate in the learning process,
- become lifelong learners, and
- participate actively in their local and global societies.

Dear Arapahoe Parents,

February 2016

It is hard to believe that we are already four weeks into our new academic semester. One of the great things about our school calendar and grade marking periods is the opportunity for a fresh start at the beginning of each semester. Faculty often make small adjustments to improve their planning and classroom instruction, and students make fresh commitments to stay on top of reading and other important homework assignments. Highly motivated students see this as an opportunity to set goals for even more impressive academic achievement. It is particularly important for seniors to stay strong and finish strong. I have heard, on more than one occasion, of a senior having a college offer rescinded based on "senioritis" behaviors and slacking off in the last semester of high school. As always, please feel free to contact your student's teachers at the earliest sign of concern in a class. We often think that, as high school students, they do not need parental involvement. Sometimes that gentle reminder that you are checking the parent portal in Infinite Campus on a regular basis helps hold them accountable. Arapahoe will also continue the practice of sending home emails to let you know when students are failing classes via a confidential email.

This month we will be having our **fourth Advisement session**. The lesson will include time for students to complete a brief **feedback survey regarding Advisement**. We will use the results from the student survey as well staff feedback to make adjustments and improvements to future Advisement lessons. In this lesson, we will also be teaching our students how to use the **Safe2Tell anonymous reporting system**. Included will be information about how to access the system as well as guidance about when NOT to use Safe2Tell. While students are encouraged to use it as a way to report and keep one another safe, it is not the fastest and best way to seek help if someone is in imminent danger to themselves or others. Calling 9-1-1 remains the fastest way to seek this type of help. We will also be helping students understand the time and resources it takes on the part of the school as well as law enforcement to investigate each Safe2Tell tip. Therefore, it is important that tips turned in are valid and as detailed as possible.

Arapahoe continues to prepare our students to be career and college ready. We have recently received our 2015 Graduation Rate from the Colorado Department of Education, and Arapahoe's Class of 2015 had an impressive **92.8% on-time graduation rate!** I am proud of our strong teaching faculty, outstanding and dedicated students, and our supportive and encouraging parents for making it possible for our students to perform so well on these important assessments. Way to go, Warriors!!

With the Winter Assembly, Winter Dance, and over half of our winter sports season behind us, it is the time of year when we are looking forward to the many exciting events of the spring. We are grateful for the many parent volunteers that step up to create an amazing After Prom for our students each spring. If you are interested in helping, please contact a member of our wonderful PTO, whose contact information can be found in this newsletter. Spring also brings important standardized tests for our students. All **freshmen** will take the **CMAS** on **April 19-21**. All **sophomores** will take the **PSAT** on **April 20**. All **juniors** will take the **Colorado State ACT** exam on **April 19**, and the **Colorado State Science CMAS** on **April 21**. One night of **Arapahoe Parent-Teacher Conferences** will be held on **Thursday, March 3** from **4:00 – 8:00 p.m.** Details on these events can be found in later articles in this issue of the *Drum Beat*.

Another exciting opportunity for our Warriors this spring is a special visit from many of our friends from the **Wind River Indian Reservation in Riverton, Wyoming**. Representatives from the Arapaho (and other tribes) will come sing, dance, and speak in many of our classes to teach us about their culture and traditions. We are looking forward to their visit and the opportunity to nurture our special relationship with the people for whom our school was named.

We are happy to roll out our **new-and-improved Arapahoe High School website** this month! Stay tuned for an email communicating the official change. Please continue to check our Arapahoe High School website at [www.arapahoe.littletonpublicschools.net](http://www.arapahoe.littletonpublicschools.net) for immediate news and information. Remember you can also follow us on Twitter and Facebook. Thank you for your continued support of Arapahoe High School. We love working with your students and appreciate you very much!

Sincerely,

Natalie Pramenko  
Principal

## College Night - Monday, February 22, 2016 6:00-8:00pm

AHS will be hosting a College Night for junior, sophomore, and freshman students and their parents on Monday, February 22, 2016. Our keynote speaker will be Jill Athenour, an independent college consultant, who has spent 25 years in education, including over 10 years working in college admissions. Jill will show you how to break the college admissions process into steps so it is manageable and stress free!

In addition to our keynote speaker, there will be a variety of break-out sessions. Students and parents can choose two break-out sessions to attend that evening. Please come and get a look at what's ahead for you and your college bound student! More information, including a Google interest form, will be coming soon.

The evening will begin at 6:00pm in the school theater. Please park in the east parking lot to access the building. We look forward to seeing you on Monday, February 22nd for this informative evening!

# Guidance Center Guidelines

## Senior Information Awards Convocation!

**Parents**—Please help us honor your student at the Awards Convocation on May 16. Typically, the Guidance Center is **not officially notified** of any scholarships or awards your student may receive from organizations or post high school institutions. PLEASE notify the Guidance/Post Grad Center of all scholarships your son or daughter receives, including merit based awards, by giving Kristin Hall a copy of the award correspondence.

## Graduation Requirements

Seniors—**Check graduation requirements** for final semester. You are responsible for making sure that you have met all of your graduation requirements by May in order to participate in the graduation ceremony. Make an appointment with your counselor if you have any questions. **Remember that all college acceptances are contingent upon successful completion of high school credits.**

## Junior Information

**The Colorado State ACT test required for all Juniors is Tuesday, April 19, 2016. More details will follow.**

Juniors may take their college entrance tests beginning with the February 2016 test dates. However, later spring testing dates are preferable because more of the tested material will have been covered in classes. We strongly encourage taking the SAT and a possible additional ACT (in conjunction with the State ACT given on Tuesday, April 19, 2016) during the spring of your junior year. Often students find it difficult to schedule college entrance exams during the fall semester of their senior year. Call your student's counselor if you or your student have any questions.

Counselors will meet with juniors during their Western Civilization class in April to review graduation requirements and scheduling for their senior year. The meetings will take place in the Forum. Juniors who do not have a Western Civilization class should plan to attend the presentation in the Forum during one of their off hours.

## CTE (Career and Technical Education)

Sophomores and juniors who are interested in taking a course through the Area Career and Technical School (ACTS) next year will need to submit an online application in the coming weeks. New courses have been added and students may choose from various career fields. Many of these classes earn college credit through Arapahoe Community College. More information on the programs, including online applications, can be found at [www.lps2.it/ACTS](http://www.lps2.it/ACTS). **The priority deadline to submit applications is February 28<sup>th</sup>, as some courses fill up quickly.** Students need to meet with their counselor prior to signing up.

## College Classes

**Current AHS sophomores and juniors** may wish to consider taking college courses in the fall of next year. Through the Concurrent Enrollment program, tuition for these classes may be reimbursable through the school district. A lunchtime meeting was held for interested students on January 28. Students should see their counselor for further information.

## Sophomore Information

Sophomore students are scheduled for one-on-one appointments in the Post Grad Center during spring semester. During their appointments, they will complete a career interest assessment and receive career information using Naviance, the web-based college and career readiness planning tool we use at Arapahoe.

## Financial Aid Information for College Bound Seniors: Help with Your FAFSA

The window to submit your Free Application For Federal Student Aid (FAFSA) on the [fafsa.ed.gov](http://fafsa.ed.gov) website opened on January 1st. While the federal deadline is June 30, please be aware that each college can determine its own deadline. Be sure you understand the college's definition of deadline, whether it is the date they receive your FAFSA or the date your FAFSA is processed.

Would you like assistance filing your FAFSA? Please put [College Goal Sunday](#) on your calendar! On Sunday, February 21st from 1:00pm - 3:00pm, the Arapahoe Community College Littleton and Parker campuses will host the [College Goal Sunday](#) event where attendees will receive free professional guidance on ways to pay for college, specifically how to complete the [Free Application for Federal Student Aid \(FAFSA\)](#). The FAFSA must be completed for a student to receive any type of financial aid, including grants, work study, student loans, and even many scholarships. Students are encouraged to submit their FAFSA at their earliest convenience to receive as much financial aid as possible.

In order to complete the FAFSA at the College Goal Sunday Program, you and your parents will need your 2015 federal tax records. You will need to refer to the following:

- 2015 tax forms: *If you have not filed 2015 taxes, you may bring 2014 taxes. You will be able to log back into the FAFSA and update your information at a later time.*
- Social Security number (if applicable)
- Driver's license (if applicable)
- 2015 W-2 Forms
- 2015 untaxed income records - Social Security, Temporary Assistance to Needy Families, welfare, or veterans benefits records
- Your 2015 bank account estimates
- 2015 business and investment mortgage information, business and farm records, stock, bond, and other investment records
- Your alien registration card (if you are not a U.S. citizen)
- **If possible, please register for an [FSA ID](#). This will allow you to electronically sign your FAFSA for faster processing.**

[College Goal Sunday](#) will take place at 20 other locations across Colorado. Spanish translation will be available, and more than \$20,000 in scholarships will be handed out on Feb. 21. For more information, please contact ACC Senior Recruiting Specialist Liliana Diaz at [liliana.diaz@arapahoe.edu](mailto:liliana.diaz@arapahoe.edu) or 303.797.5960.

### Scholarship information

Many Arapahoe High School students will be awarded merit scholarships, automatic awards based on GPA and standardized test scores. In addition to merit scholarships, there are competitive scholarship opportunities that can be found on each college website. Beyond school specific scholarships, there are local scholarship opportunities made available to AHS students in Naviance. This scholarship list is updated twice a week and has a corresponding file in the Post Grad Center. Students can also check out the online scholarship databases posted on the Post Grad website. As always, note the scholarship requirements and deadlines to ensure a complete and timely submission.

### Awards Convocation

If your student is awarded a scholarship of any kind, please provide a copy of the award correspondence to Kristin Hall in the Post Grad Center. This includes school specific scholarship awards your student will not be using if he/she has chosen another school. Parents, this information will help us honor your student at the Awards Convocation night on Monday, May 16, 2016. Please submit this information no later than May 1st.

## 2015-2016 Arapahoe Teacher of the Year: Vicki Lombardi/World Languages

World Language teacher Vicki Lombardi was recognized as Arapahoe High School's 2015-2016 Teacher of the Year at the winter pep assembly on January 22. This is the first year Arapahoe has given this award; Lombardi was nominated by her peers, students, and parents based on the following criteria:

**Deliver Results:** Deliver results to students and Arapahoe Community

**Foster Teamwork:** Promote collaboration in the classroom and in the department while inspiring students, colleagues, and the community with a positive vision for Arapahoe and its future.

**Model Character:** Demonstrate integrity, honesty, and courage, and treat others with dignity and respect.

**Demonstrate Growth Mindset:** Make thoughtful decisions, show sound judgment, exemplify professionalism, and reflect upon practice.

Mrs. Lombardi is a Spanish teacher at Arapahoe, teaching Spanish II, Spanish III, and Honors Spanish III this year. She also serves as the Chair of the World Languages Department and has worked at Arapahoe for 7 years.

One student wrote about Mrs. Lombardi: "You can walk into Mrs. Lombardi's class, on any day, at any time, with any class, and you will see a woman who is passionate, positive, kind, and dedicated. Her teaching style is simple and effective. She adjusts to students who need extra help and challenges each student individually, all with a graceful patience and mom like sense of humor. She is deliberate yet gentle, wise yet humble. Ask her students what the result of Mrs. Lombardi's teaching is and they will show you an ear and mind for language and love for learning."

A parent said, "She is not only a strong teacher but she is quite the mentor to the kids. She cares about each student in and out of school and their lives which creates a unique bond and allowed my daughter to love and enjoy every day of learning her Sophomore and Junior year in Mrs. Lombardi's class. She still remains very close to her and continues to help her in all areas of school an life."

Another staff member wrote, "Vicki is one of the kindest, most helpful people in the building. She genuinely cares for every student in her class, and all of her kids know it. She embodies the spirit of 'Warriors always take care of one another.'"

We will continue to honor Mrs. Lombardi throughout the rest of the year for this great honor. Congratulations, Mrs. Lombardi!

CONGRATULATIONS!

## News From The Art Department

Beginning in October 2015, the art department has been featuring an Artist of the Month who has been chosen because of his/her outstanding technique and originality. The Artist of the Month are some of our most dedicated and talented artists who have shown great creative accomplishments. February's Artist of the Month is Senior Kaley Hinchsliff. Stop by the Art Department to see Kaley's acrylic painting on canvas on display.

The LPS District Art Show is currently taking place at Arapahoe Community College. There are many talented artists on display from AHS, and we encourage you to come out and admire all of the hard work our students have demonstrated so far this year! The show will be on display until the Closing Reception on February 9th from 5-7 p.m. The Reception is open to the public and will feature an awards ceremony for outstanding work.

Our 12th annual Art Attack is quickly approaching, and we will start accepting entries for the show in March. Any student can enter work into the show, so start thinking about your submissions now! See any of the art teachers for more details.

## Arapahoe After Prom

After Prom plans are underway! We have a very dedicated group that has already begun planning for your students after prom in May. This is a 30 year tradition at Arapahoe, and is always a spectacular event. But we can't do it without you! Are you creative? Artistic? Are you a good planner? We always need support for this event. It is a night to celebrate and entertain about 1,200 of our students in a safe environment after the dance. Work nights have been scheduled for artwork for the halls, and planning is happening for all other areas: ticketing, prizes, food, casino, clean up etc. If any of these areas interest you, please let us know! It takes hundreds of volunteers to put this event together and we need you. It is so much fun to participate with this. It is a great way to meet other parents, and a great way to help with an event that your student will enjoy.

Please watch for sign ups coming as we get closer to the event in other ways you can help contribute to this amazing event!

## ATTENTION SENIOR PARENTS

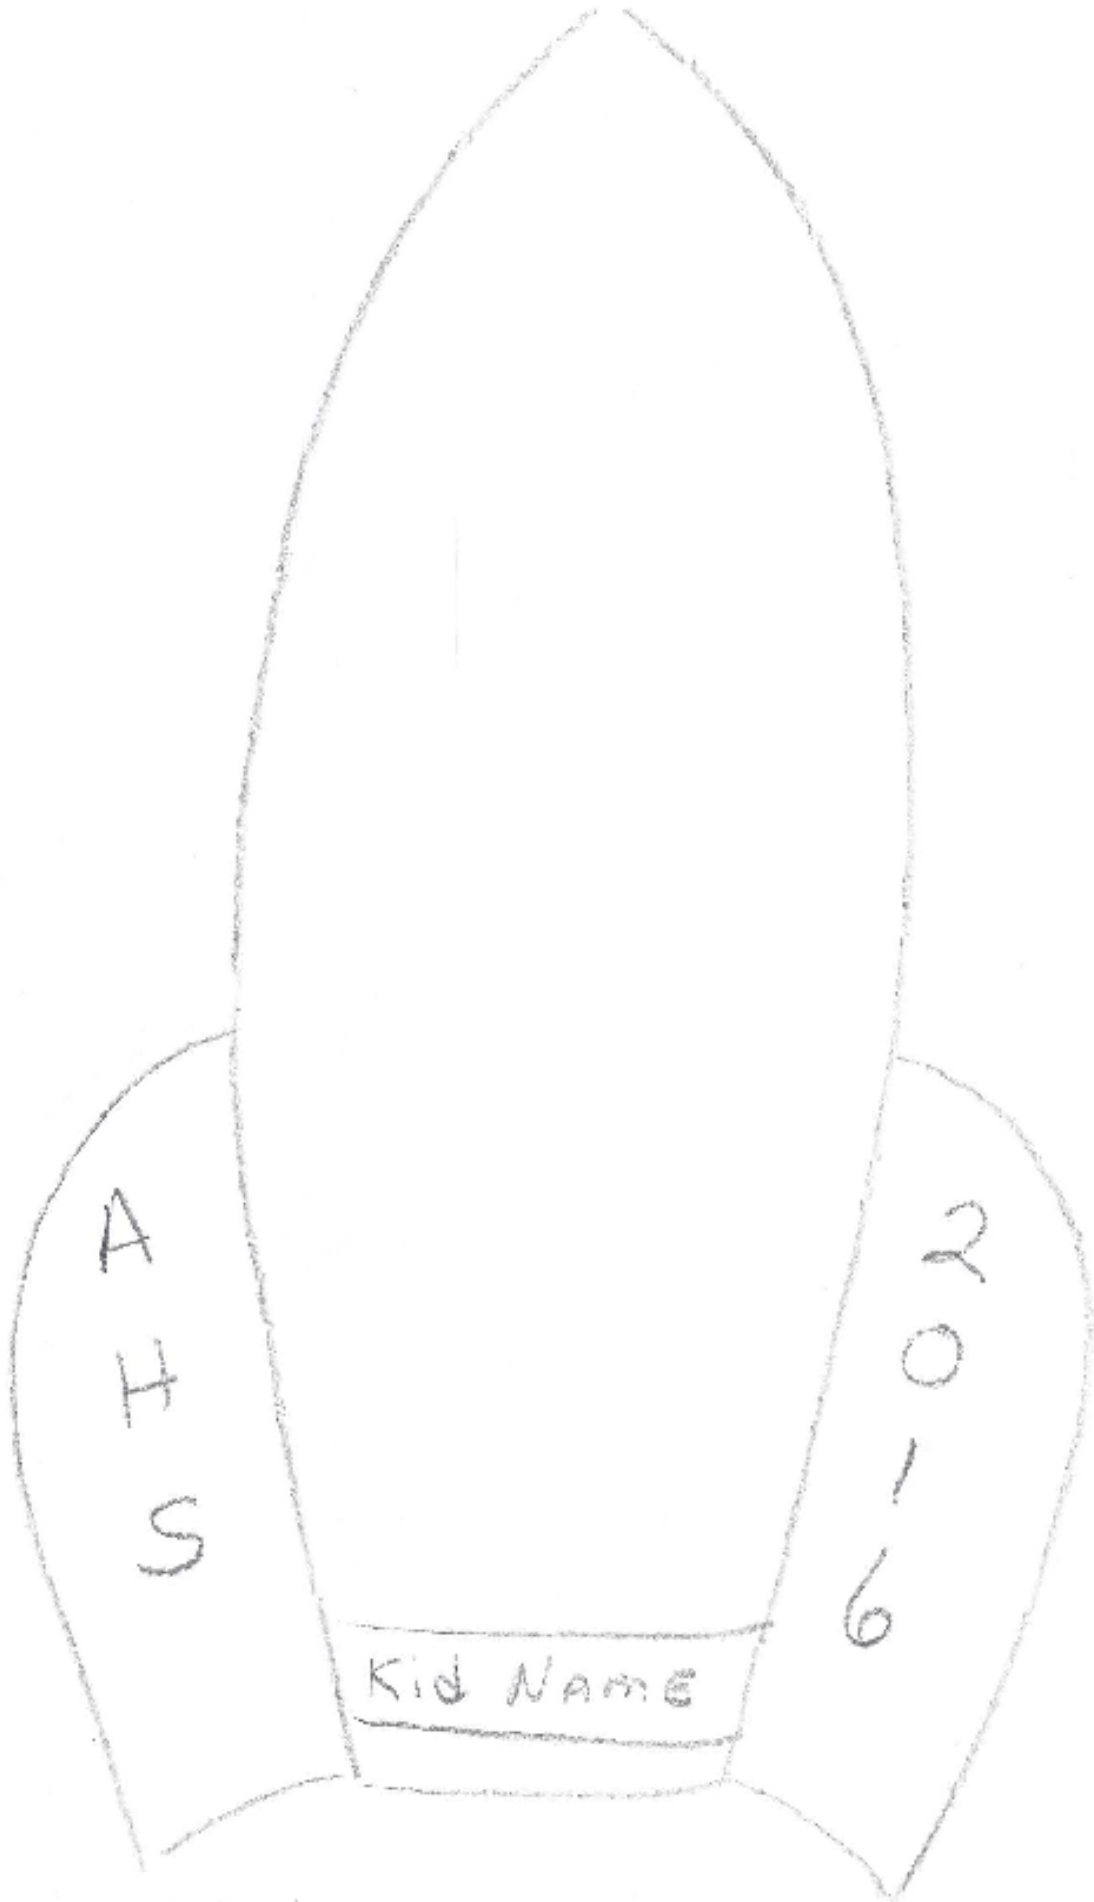

It is a tradition at AHS to have a "senior picture gallery" at After-Prom. This year After-Prom will be April 29<sup>th</sup> and we are asking you to create a collage for your child that we may hang in the hallway at the event.

The collages you create will be displayed at After-Prom, the theme this year is: A Blast from the Past. All collages will be done in the shape of a rocket ship, an example is attached. Please follow the directions below. We look forward to seeing your wonderful creations.

### MAKING YOUR COLLAGE

1. Gather all your photos—use color copies if you don't want to use originals. Some ideas for the collages can be, a friends collage, a senior year collage, a high school years collage, a sports collage, a family memories collage, milestones in your kids life—whatever you choose, have fun with it!
2. To start, purchase a piece of standard 22"x28" poster board either in white or black. Please do not purchase the heavyweight board as it will be too heavy to hang. The background these collages will be hung on is gold.
3. Cut the poster board into a shape of a rocket ship—see attached drawing.
4. Put your students name, AHS, and 2016 on the front of the ship.
5. Glue your student's pictures to the front; please do not use tape as it will not keep the pictures on the poster board.
6. Neatly, on the back of the rocket ship list the student's name, parent's first and last name, and a contact phone number.
7. Once completed, consider having your collage laminated. That service is available at Staples in the Streets of Southglenn.
8. Deliver your collage to the school's main office between April 18<sup>th</sup> and April 29<sup>th</sup> before 3:00 p.m. each day and place the collage in the large collection box.
9. The collages will be available for pick up in the main office from May the 2<sup>nd</sup> to the 6<sup>th</sup> by either a parent or the student.

If you have any questions, please do not hesitate to contact me at: [nbrumley1218@gmail.com](mailto:nbrumley1218@gmail.com)  
Have fun creating!!!!

## The Coffee Break

**Deputy James Englert and Deputy James Mason**  
**School Resource Officers, Arapahoe High School**

I would like to educate everyone on an issue that was brought to our attention in reference to fake ID's. It appears that some students may have fake ID's or know someone who does. The infraction you could be charged with if you are in possession of a fake ID is the following:

18-5-903.5 Criminal possession of an identification document: A person commits criminal possession of an identification document if the person knowingly has in his or her possession or under his or her control another person's actual driver's license, actual government issued identification card, actual social security card, or actual passport, knowing that he or she does so without permission or lawful authority. It is a Class 1 Misdemeanor if you are in possession of one or more identification documents issued to the same person. It is a Class 6 felony if you are in possession of two or more identification documents, of which at least two are issued to different people.

If you use the identification document, then you commit:

18-5-902 Identity Theft: A person commits identity theft if he or she knowingly uses the personal identifying information, financial identifying information, or financial device of another without permission or lawful authority with the intent to obtain cash, credit, property, services, or any other thing of value, or to make a financial payment. Identity theft is a Class 4 felony.

Students are obtaining fake ID's to get into bars, clubs, and liquor stores. Parents, please keep your child informed about the importance of not having a fake ID and the consequences they may face if they do.

If you have any questions, please don't hesitate to call.

Let's Have A Great and Safe School Year!

The Family of Claire Davis and the doctors of Total Orthodontics are partnering again to offer a free set of braces to an AHS student. This is the second year this offer has been extended to an AHS family.

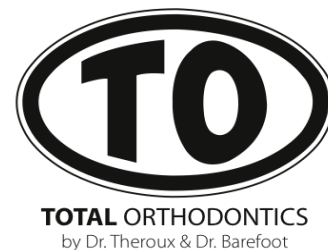

In 2008, the Davis family helped Dr. Kevin Theroux establish the non-profit **Smile for a Lifetime of Greater Denver**. The organization's mission is to create self-confidence, inspire hope, and change the lives of children in the community. Each **Smile** recipient is required to perform a 40-hour community service project as part of the program's Pay it Forward clause. It is the wish of the Davis family and Total Orthodontics that the *Gift of a Smile* in Claire's honor and memory will lift up a member of the AHS family who in turn will pay it forward, creating a ripple effect of good will in the community.

Any full time AHS student may apply for the free braces. Financial need is not a consideration. If the student is not yet ready for orthodontic treatment, the award may be "held" until the patient is ready for treatment. Recipient will be required to complete a 40 hour service project to "Pay it Forward" in the community.

Please mail completed applications to:
