

## 9th Annual Frank Shorter RACE4Kids' Health!

### Spread the Power of Health for Kids!

On Sunday, April 8th, let's spread the power of health for kids! Runners, walkers, and crawlers, experience a 5k, fun run, or a short stroll for the youngest runners. Take a walk through Mega Brain at Colorado's premier Expo: Where Science, Engineering & Health Collide4Kids! Enjoy tons of fun, give-aways, and the coolest science around for the entire family. **What a terrific event for a terrific cause: to help Healthy Learning Paths spread the power of health for children!**

### Mazzola's Miracle Fun Run honors a miraculous visionary for children, Joseph Mazzola.

"It's the right thing to do. Remember, it's for the kids," is a familiar message Mr. Joseph Mazzola brought to business leaders, Rotarians, friends, family, and even strangers. Joe was an unstoppable force to help children in the community and around the world. He fiercely believed that we can empower children to lead healthy and happy lives. Join us to honor Joe's spirit at Mazzola's Miracle Fun Run.

**Healthy Learning Paths** was founded with a rebellious spirit and bold mission: to spread the power of health for children, while leading the way for health conscious communities. We are a 501(c)(3) nonprofit that creates and delivers health programs for the mental, social, emotional, and physical fitness of children through:

- Healthy Learning Kids™ School Programs
- Healthy Learning Families Workshops
- Healthy Learning Communities Wellness Programs
- Professional Development Trainings
- Frank Shorter RACE4Kids' Health & Expo
