Several swimmers qualified for 4A State at this meet! Congratulations girls on all your hard work!

**IMPROVING PLCS - AN EMERGING IDEA:** Other high performing schools locally and across the nation know what we in Littleton Public Schools have known for a decade: Professional Learning Communities increase student academic growth and achievement. Engaging in Professional Learning Communities helps us keep our promise to students to prepare them for meaningful post secondary opportunities upon high school graduation. Our community has high expectations for its schools, and Professional Learning Communities are the mechanism through which we will continue to meet these expectations. In order to provide our teachers with the tools, skills, and information they need to meet the needs of ALL students, teachers need more time to collaborate with one another in Professional Learning Communities. An emerging idea is to provide more frequent and consistent time throughout the school year for PLCs. Please visit the Littleton Public Schools website at [www.littletonpublicschools.net/district/improving-plcs-emerging-idea](http://www.littletonpublicschools.net/district/improving-plcs-emerging-idea) to learn more. The website will be updated frequently, so please check back for additional details. We invite you to attend a parent meeting in January or February to hear LPS Superintendent Brian Ewert share important information about the district's vision for improving student learning through Professional Learning Communities. He will share emerging ideas of how to adjust instructional time to provide more opportunities for professional collaboration, and he would like to hear your thoughts. Parents and community members are welcome to attend the meetings at ANY school. A complete list is available through the link above.

**JOINT PTO/ACCOUNTABILITY MEETING WITH SUPERINTENDENT BRIAN EWERT** - All parents are invited to attend the Heritage meeting on Tuesday, January 10, from 6 to 8 p.m. in the Second Floor Lecture Hall. Superintendent Ewert will be the guest speaker and sharing his ideas for improving Professional Learning Communities in our district. If this date/time does not work for you, please click the link above to view more information and other schools' meeting dates.
