HERITAGE HIGH SCHOOL PTO NEEDS YOUR SUPPORT: The objective of the Heritage High School PTO is:

1. To promote the welfare of children and youth in home, school, and community.
2. To promote a closer relationship between the home and the school, that parents and teachers may work cooperatively in educating the child.
3. To develop between educators and the general public such united efforts as will secure for every child the highest advantages in school spirit and in physical, mental and social education.
4. To provide volunteer services.

PTO is funded solely by donations from our HHS families, and this money goes to support our teachers through grants, the NET program for first generation college bound students, the shadow program, teacher appreciation, After Prom and much more. Donations to the PTO are down 70 percent over the last two years, and as a result we have not been able to fund teacher grants, and other programs that we support have been impacted as well. Please consider donating to the PTO. Checks of any amount can be mailed to the school at 1401 West Geddes Avenue Littleton, CO 80120 - marked "Attn PTO."

CHROMEBOOK REMINDERS:

- **A Chromebook is not just a device, it is a school supply.** This means that you should bring it with you to school everyday. Make sure you charge it every night so it has a full battery to start your school day. It's also a good idea to bring your charger cable with you in case you need to recharge throughout the day. Teachers should have a few extra outlets in their room in case you need some power.
- **If you did not check out a Chromebook for the year,** you may need to check out a loaner Chromebook every morning and return it at the end of the day if your teacher requests that you specifically have a Chromebook. To check out a loaner Chromebook, head to the Library before 1st hour begins. At the end of the day, you will need to return that loaner Chromebook back to the library.
- **If you have issues with your Chromebook** or if something on it breaks, please see Mr. Keena in the Library to figure out how to resolve the issue.
- **Protect and Personalize your device!** Now that you have checked out your Chromebook for the year, let's talk about taking care of your device. The device checked out to you is yours for the year, so make sure you treat it well. If you would like to add a layer of protection to your Chromebook, you can buy a protective sleeve, a hardshell case, or a laptop decal or skin. Please do not place any stickers on your device. As you are looking for covers, here are the models that you can search for (You can find your specific model number on the bottom of your Chromebook):
 - Acer 710/720 - Seniors and some Juniors
 - Dell Chromebook 11 - Some Juniors and All Sophomores
 - Lenovo N21/N22 - Freshmen
- **Removable Skins that don't leave residue or damage chromebook:**
