STUDENT OF THE MONTH RECOGNITION

Heritage High School has an academic recognition program called Student of the Month. Teachers representing the nine curricular departments select four students of the month, usually one from each grade level. Selection criteria are based on high academic achievement and performance in the classroom.

Each month we invite students and parents to attend a reception where teachers cite examples of exemplary student achievement. Each honoree receives a certificate and a pen. Students' photos are taken to display on digital displays around campus.
