You can also call the Kaiser Permanente Appointment and Advice Call Center for help anytime at **1-800-218-1059** (TTY: **1-800-521-4874**).

Another option for feeling better fast is visiting an urgent care provider, who can help with medical conditions that include:

- » Minor injuries and cuts
- » Sore throats, coughs, and earaches,
- » Fever or flu-like symptoms
- » Sprains, strains, and backaches
- » Urinary infections
- » Pink eye
- » Sinus infections and headaches

Extended hours care is available by appointment at the Kaiser Permanente Fort Collins and Greeley Medical Offices, or you can also go to an affiliated urgent care provider in Northern Colorado. You may also go to any Kaiser Permanente medical office in Colorado that offers extended hours care. The charge for urgent care is typically higher than a regular office visit or extended hours visit, but less than an emergency room visit.\*
