

Dear Parents,

The Kindergarteners are beginning to practice for their music performances! I like to call them Kindergarten "Informances" because they are meant to inform you of what we learn during music in Kindergarten and give you a little peak into your child's day. Group 2 will perform on October 9<sup>th</sup>, Group 1 will perform on October 10<sup>th</sup>, and Group 3 will perform on October 12<sup>th</sup>. All performances will be at 1:25pm in the Gym.

This year we will perform 2 songs, a movement activity, and a story titled "Giraffes Can't Dance" by Giles Andreae. I have randomly assigned each student a part in the story. Some students will be acting and some will be playing instruments. However, I would like all of the students to dress up! If they are playing an instrument and you aren't sure how to dress them, just let them wear something fancy or special. I don't have any requirements for types of costumes so just be creative and have fun!

Please fill out the bottom of this letter and turn it in as soon as possible so I can prepare the right amount of costumes and space for the show. Thank you!

-Samantha Kelly (Music Teacher)
