SCHOOL
GUIDE

Littleton Public Schools serves the majority of the City of Littleton, Town of Columbine Valley and portions of the municipalities of Bow Mar, Centennial, Greenwood Village and Englewood.

LPS BOARD OF EDUCATION

JACK REUTZEL
President

KELLY PEREZ
Vice President

CARRIE WARREN-GULLY
Treasurer

ROBERT REICHARDT
Secretary

JIM STEPHENS
Assistant Secretary

Littleton Public Schools

Littleton Public Schools is the only school district in the Denver metro area to receive the Colorado Department of Education's (CDE) highest accreditation rating for seven years in a row.

Public Invited to Attend BOE Meetings

The Littleton Public Schools Board of Education typically meets at 6:30 p.m. on the second and fourth Thursdays of the month at the Education Services Center, 5776 S. Crocker Street. The public is welcome to attend. Times are set aside during these meetings for public comment. Meeting agendas, Board policies and support materials are available at: www.littletonpublicschools.net.

2018-2019 BOARD MEETING DATES

August 23, 2018	December 13, 2018	April 11, 2019
September 13, 2018	January 17, 2019*	April 25, 2019
September 27, 2018	January 31, 2019*	May 9, 2019
October 11, 2018	February 14, 2019	May 23, 2019
October 25, 2018	February 28, 2019	June 13, 2019
November 15, 2018*	March 14, 2019	June 27, 2019

* Due to alternate scheduling

Board of Education Strategic Plan

The Littleton Public Schools Board of Education Strategic Plan includes eleven Core Belief statements and ten Focus Areas, which reflect the Board's and community's values for education and drive decision-making throughout the district. Visit the district website to learn more about the Board's Strategic Plan.

LETTER FROM SUPERINTENDENT EWERT

BRIAN EWERT
Superintendent

Dear LPS Community Members:

You may have heard us say, All Means All in LPS. All students - regardless of race, ethnicity, religion, disability, twice exceptionality, students who are gifted, immigrants, English language learners, LGBTQ, homeless, poor, affluent, and those who may have social, emotional, behavioral or academic challenges - matter. All students deserve our very best. That means providing equity and opportunities so that all students receive the education they need in order to excel.

Thanks to your support, we have made improvements to our system that help us provide equity and more opportunities for our students. Weekly Professional Learning Communities (PLCs) have provided additional time for teachers to meet the needs of the students they serve, and we have already seen the benefits of this change. Shifting school start times to better align with what research tells us is best for adolescents will be impactful, as well. We look forward to the change to school start times this fall. The work of the Long Range Planning Committee continues as members focus on the current state of LPS facilities, program capacity, demographic changes and major capital equipment requirements in order to protect our community's investment in its schools and to best serve students in the future. In August, the LPS Board of Education will consider the findings of the Long Range Planning Committee within current budget constraints. The Board will also engage in thoughtful conversations about the possibility of asking local voters to support a bond election this fall to make this vision for our students' future a reality.

There also is a statewide effort, Initiative 93, to ask Colorado voters to pass a ballot initiative this fall to help pay back the \$5.8 billion of state school funding owed to Colorado's K-12 students for their education. Passage of Initiative 93 would mean an additional \$23.1 million annually in LPS, which would help us fund priorities related to early childhood education, adequate school staffing, Career and Technical Education programming, security and mental health supports, and additional academic supports for our most vulnerable students among other things. I encourage you to learn more about this statewide effort.

Our focus on providing our very best to our students will continue during the 2018-2019 school year. The LPS Board of Education has identified its priorities:

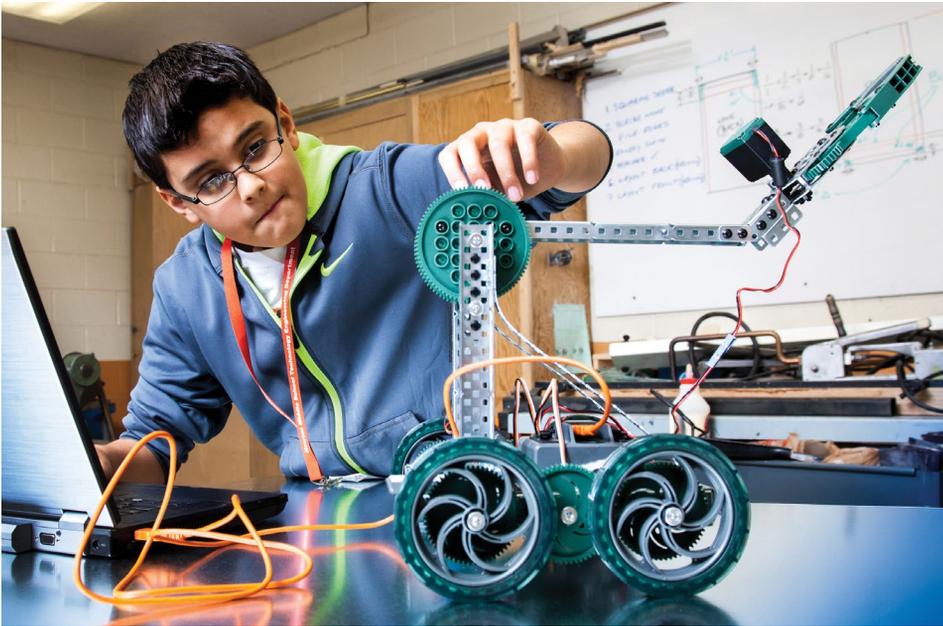

- Continue to build upon the important work happening in Professional Learning Communities, as this is the foundation through which all progress is made;
- Continue to plan for the effective use of resources into the future. The ongoing work of the Long Range Planning Committee will be critical to this process;
- Continue to refine, explore and expand academically rigorous pathways aligned to Colorado Academic Standards and community expectations. Innovative teaching and learning will be a focus as we find different ways to engage students in learning opportunities that prepare and empower students for the complex, rapidly-changing world of college and career;
- Continue to grow, refine and improve programs, processes and procedures as they relate to safety, security and mental health in our schools. This will include a conversation about homework and its impacts on mental health;
- Continue to lead advocacy efforts to expand funding for K-12 education.

It is an exciting time to be LPS and it is my great honor to serve as your superintendent. LPS is family and there is no better place in which to learn and work. Thank you for your continued support as we strive to do our very best for our community's children. They deserve it; and we simply cannot do this important work without you!

Best wishes for an outstanding school year,

Brian Ewert
Superintendent

IMAGINE THE POSSIBILITIES

More than 50 years ago, the Littleton Public Schools community built schools for its children and created a legacy that is still being realized today. This legacy has served us well and has made possible an outstanding education for generations of LPS students.

Aging schools also pose challenges. Because the average school building in LPS was built in the post WWII era, some schools are not compliant with ADA (Americans with Disabilities Act) regulations. Aging schools are not as efficient and they require expensive renovation to meet today's safety and security expectations.

In addition, our aging schools were not built for the way today's students learn and live. They limit opportunities for students to work in small teams and experience complex hands-on learning. Some of our schools have been renovated to provide these opportunities, but renovations are not possible in all schools.

The needs and expectations for today's learning have changed. The rapidly changing job market demands more non-traditional skills of our graduates - like creativity, critical thinking

and entrepreneurship. Our graduates, whether continuing on to college or entering the workforce, need complex skills in science, technology, engineering and math - also called STEM.

In response, Littleton Public Schools is exploring ways to create a Career and Technical Education (CTE) Center in partnership with local community colleges. The CTE Center would expand upon the CTE programs already available in our schools and would better prepare all students regardless of the path they plan to take upon graduating from Littleton Public Schools.

This robust CTE programming would: offer valuable, hands-on learning experiences for students who plan to enter the workforce after graduation; enable more students to get on the path to earning an industry certification or two-year associate's degree; and better prepare students who plan to pursue undergraduate and advanced degrees in a CTE field. In many cases, this programming would facilitate pathways that could help to reduce the cost of a traditional 4-year college education for students and their families. A CTE Center would provide programming in fields including: auto-

otive, aviation, computer coding, construction, drones and robotics technology, electrical, healthcare, plumbing and welding and fabrication.

A recent community survey shows that these are priorities for the community we serve. In addition, the LPS Long Range Planning Committee, which represents a cross-section of the community including taxpayers with and without children currently in LPS, has spent the past 18 months reviewing the current state of LPS facilities, program capacity and major capital equipment requirements. The committee has considered what improvements to efficiency, sustainability and infrastructure may be required to best serve our students in the future. The committee shared its observations with the LPS Board of Education. Highlights included:

- LPS has a need for new and/or renovated school buildings that provide efficient and flexible spaces that allow for innovation, collaboration, and creativity. This space should also accommodate the growing number of students with special needs in their neighborhood schools;
- Districtwide full-day kindergarten and universal public preschool are desirable to give LPS students the best foundation for success;
- LPS has a need to make all of its facilities ADA compliant;
- LPS has a need to enhance and expand Career and Technical Education program offerings and provide innovative, creative learning spaces for students of all ages;
- LPS has a need to enhance and expand outdoor spaces to accommodate a wide variety of boys and girls activities and athletics; and
- LPS must continue to protect the community's investment in its schools and campuses including playgrounds and fields through appropriate upkeep in order to maintain a safe environment for students.

The goals of the LPS Board of Education and the findings of the Long Range Planning Committee align with our community's priorities. It is important to all of us that the quality of our schools helps maintain the Littleton area's reputation as a great place to live. We want to ensure

that we continue to have high-performing schools for our children that attract and keep the best teachers.

LPS is committed to providing the education that today's students will need for tomorrow's jobs and careers in an environment where our kids are engaged and passionate about what they are learning. We must continue to prepare our students for college while adding to

the menu of choices, which will provide more paths to college and career.

Next Steps

Over the next several months, the LPS Board of Education will consider the findings of the Long Range Planning Committee within current budget constraints. The committee will bring a detailed report to the LPS Board in August. The LPS Board of Education

will also engage in thoughtful conversations about the possibility of asking local voters to support a bond election in the near future.

Learn more about the LPS Future Vision as well as possible statewide funding solutions that would return critical funding to K-12 education by visiting:

littletonpublicschools.net/district/lps-future-vision.

SPECIAL SERVICES ADVISORY COMMITTEE

6TH ANNUAL CURO AWARDS

Brody Mize receives a CURO Award for his work with his friend Matthew Walling at Runyon Elementary. Brody was recognized for his "empathy and compassion to all students."

It was a packed house at the The Falls Event Center on May 2nd as parents, students, staff and families gathered to celebrate the 6th Annual CURO Awards, sponsored by the LPS Special Services Advisory Committee and the Special Education Department. The CURO award recognizes the ded-

ication and commitment of individuals who make a difference in the life of an LPS student with a disability. The word "CURO" is Latin and means "to care for or to pay attention to."

Any LPS community member, staff member or student is eligible to receive

the award. Recipients of the award are nominated because their devotion to a student with a disability has made that student's life better.

Parents, students and colleagues chose the nominees, and the nominators shared their heartfelt gratitude through their written comments, such as: "She shows gentle encouragement, loving support, and is great with my child with disabilities" and "She worked with my child every day and my child is starting to talk to me and can even call me mom." Another parent wrote: "Katie is the consummate professional who puts students first...Always ensuring the student's needs are at the center of all decisions."

Congratulations to the 90 nominees and 19 CURO award winners!

Junior CURO Recipients:

Noah Bress, Nailani Brogan, Lucy Danos, Charlotte Hugo, Sadie Iken, Ian Laderer, Elle Marlow, Brody Mize and Miura Nix.

Student CURO Recipients:

Courtney Daniel, Bailey Roberts, Natasha Sandalcidi and Allie Wennerstrom.

CURO Recipients:

Barb D' Innocenzo, Brad Leitner, Barb Ritchie, Sandy Stewart, Brock Taylor and Wendy Ware.

CHANGING SCHOOL START TIMES

LPS students deserve the very best, and the Littleton Public Schools Board of Education is continuously striving to provide the education students need now in order to be prepared for life after high school. An impactful decision made last December for the 2018-2019 school year is the change of school start times to better align with what experts say about adolescent sleep patterns. The Board's unanimous decision to adopt the LPS Long Range Planning Committee's recommendation to change school start times followed months of research analysis, parent presentations and extensive opportunities for parent, student and staff input through public forums, open houses and surveys.

Research tells us that a later school start time positively impacts alertness, mental health, wellness and behavior in high school and middle school students, which means students are better prepared to learn. The new school start times better align with the latest research that shows teens' sleep patterns are different than those of younger children and adults.

According to National Jewish Health Adolescent Sleep Expert Dr. Lisa Melt-

zer, melatonin is a hormone released by the brain that controls the internal clock and prepares the body for sleeping. But during puberty, the timing of the melatonin release is delayed by up to 2 hours. This makes it nearly impossible for teens to fall asleep early. This shift is also seen in the morning hours, such that when we ask a teen to wake at 6 a.m., that is equivalent to asking an adult to wake at 4 a.m. An adolescent's brain is biologically asleep at the time we ask them to wake up - often to get behind the wheel of a car - to go to school and learn.

This change in school start times directly correlates to the Board's commitment to the academic and social/emotional well being of all students. Changing school start times to better align with what sleep experts tell us about adolescent sleep patterns cannot be done in isolation; it is just the first of several issues that need to be studied. "Changing to later middle and high school start times isn't THE answer, but it's AN answer and part of a larger solution. We as a Board are committed to looking at the other factors that contribute to the mental health of our teens - things we can influence such as homework, screen time, social media and the tendency to

overschedule our kids," said Jack Reutzel, LPS Board of Education president. "We will need parents to partner with us and help us in these efforts."

In April, the LPS Board of Education received an update related to the implications of changing school start times. Fees for School Age Child Care (SACC) have been established. Most elementary enrichment activities will take place after school Monday through Thursday. Current athletic practices, club and activity meeting times at high schools and middle schools will be evaluated, and schools will make every effort to schedule as many after school as possible in order to accommodate our teenagers' need to sleep longer in the morning. Scheduling a compressed transportation schedule to accommodate the change in school start times will cost LPS about \$137,000. This is a manageable cost considering nearly 8,000 middle and high school students in LPS will benefit from a later school start time.

FREQUENTLY ASKED QUESTIONS

How much sleep do adolescents need?

Adolescents have a biological need for 8 to 10 hours per night. We know this from a series of studies where adolescents went to "sleep camp" and spent 3 weeks in a lab. They were allowed to catch up on lost sleep, and then sleep as much as they wanted. In this setting, adolescents naturally slept an average of 9.3 hours per night.

How much sleep do most adolescents get?

In the U.S., 7 out of 10 adolescents get less than 8 hours of sleep. There is no reason to believe this is any different in the Littleton Public Schools district. Consider, if your child has to wake at 6 a.m., he/she would need to be asleep by at least 10 p.m. in order to obtain the *minimum* recommended 8 hours of sleep (which for most teens is not enough.)

What happens when teens don't get enough sleep?

Every aspect of functioning is negatively impacted by not getting enough sleep:

- Students who miss out on only 1 hour of sleep per night for 5 nights have been shown to have increases in ADHD like behaviors (inattention and impulsivity.)
- Similarly, students who go to bed 1 hour later for just 3 nights perform a full grade level below students who

LEVEL	SCHOOL START/END TIMES 2018/2019		PLC LATE START WEDNESDAYS	
	A.M.	P.M.	A.M.	P.M.
ELEMENTARY SCHOOL	8:00	2:43	9:00	2:43
CENTENNIAL ELEMENTARY	7:50	2:53	8:50	2:53
FIELD ELEMENTARY	7:50	3:03	8:50	3:03
MIDDLE SCHOOL	8:54	3:50	9:54	3:50
HIGH SCHOOL	8:30	3:31	9:30	3:31
OPTIONS	8:35	3:10	10:35	3:10

are getting enough sleep on tasks of short term memory, fine motor skills, and problem solving.

- Teens who do not get enough sleep have increased risk-taking behaviors and accidents.
- Negative mood is associated with insufficient sleep, with one study of over 30,000 students showing that for each hour of lost sleep there was a 38% increase in feeling sad or hopeless, and a 58% increase in teen suicide attempts.
- Insufficient sleep is directly related to obesity, heart disease, and diabetes.
- Drowsy driving accidents increase. After 17 hours of wakefulness, reaction time, decision making, and concentration are impaired as if a person has a blood alcohol level of 0.05 (legal limit in Colorado.)

What about elementary school students? Won't starting school earlier negatively impact them?

As previously described, it is difficult for adolescents to go to bed earlier due

to pubertal changes in their internal clock. That is not the case for elementary school students, who are biologically predisposed to earlier bedtimes and wake times. One study found that pre-adolescent students have the same degree of focus at 7 a.m. that adolescent students have at 8 a.m. In addition, districts who have changed start times report elementary students to be more engaged and ready to learn when they haven't been in before school care or watching television for 1-2 hours before school starts (which often occurs for later starting elementary students).

What changes have other districts experienced after changing school start times?

Tremendous benefits for students have been shown following later school start times for middle and high school students, including students getting more sleep, increased attendance, and higher graduation rates. Further, increases in achievement scores are on par with

reducing class sizes, which then reduces the achievement gap for many students. Students also report less depression and caffeine use, and there are fewer car crashes (a 70% reduction in one district!) It is important to note that districts have not found changes to the number of hours students spent on homework, jobs, or sports/activities.

Information developed with assistance from National Jewish Health Adolescent Sleep Expert Dr. Lisa Meltzer.

LPS FOUNDATION

POSITIVE IMPACT ON SCHOOLS

2018 Spirit Scholarship Recipients

Pictured (L-R): Mary McGlone, LPSF Board President; Allie Wennerstrom, AHS; Taylor Olsen, HHS; Zachary Maguire, LHS; and Bob Colwell, Spirit Scholarship Sponsor. Not shown, Danielle Weiss, Options HS.

As Littleton Public Schools' fundraising partner, the LPS Foundation generates monetary resources and builds relationships in the community that enhance student experiences and successes in our neighborhood schools. Embracing another banner year, the LPS Foundation provided over \$344,000 to LPS in support of

innovative classroom grants and various high quality educational programs. Of particular importance, the LPS Foundation provided funding for mental health interventions which help students build resiliency and positive mental health at school as well as connecting families with mental health experts in our community.

There is no better partnership to assure that all kids have the support and resources needed to succeed in school and life than the partnership of families, educators, businesses, volunteers and communities. The LPS Foundation is grateful for the continued opportunity to provide these vital partnerships to enhance our community and educational system in Littleton. Our fundraising efforts will continue in the 2018-2019 school year and we welcome the community to join us at any of our events.

SCHOOL RESOURCE OFFICERS

SAFETY AND LEARNING

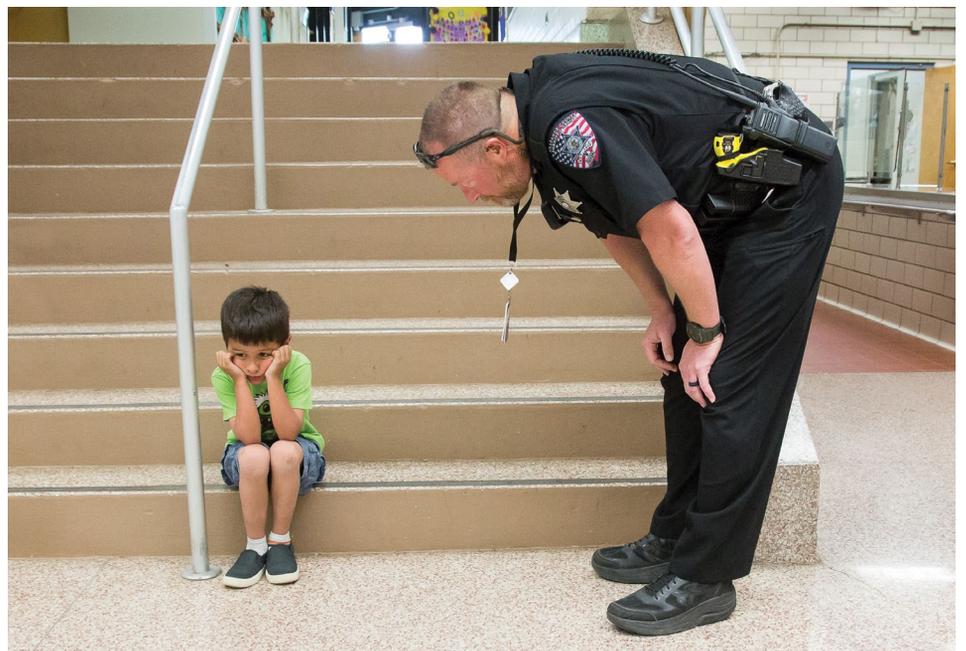

When Arapahoe County Sheriff Deputy Mark Edson walks into a classroom at any of the nine elementary Littleton Public Schools he serves, students swarm him for high-fives, hugs, fist bumps and sheriff stickers for their notebooks. As a School Resource Officer (SRO), Edson wouldn't have it any other way. "First and foremost, my job is to protect the kids and staff in the building, and it's also about breaking down barriers so the kids feel they can come to me if they need help," said Edson.

Since the early 1980s, School Resource Officers have been a part of the school community in Littleton Public Schools (LPS). SROs are sworn law enforcement officers who are responsible for providing a law enforcement presence in school buildings. During a typical school day, an SRO walks the halls for security, but also talks with students. Between classes, at lunch and on the playground, SROs offer students the opportunity to discuss whatever is on their mind - with the intention of becoming part of the student's daily routine at school.

The SRO works closely with administrators to create a safer environment for both students and staff by assuming

three distinct roles in the school setting: that of educator, informal counselor and law enforcer. This triad allows SROs to inform students about law-related topics through classroom instruction, provide them with a trusted role model/counselor and produce a safe and secure building.

At the elementary level, the SRO provides a foundation of respect and builds

a relationship that students can trust during their school years, leading to a better understanding of what to do, and what not to do, when making decisions that affect others. Edson, who grew up in Littleton and attended Littleton Public Schools, loves working in the area and in the schools where he grew up.

"I'm a law enforcement officer inside a school building - but I'm also a friend and an authority figure, part of the safety team, part of the counseling team and part of the welfare team," said Edson. Edson hopes that if he can put in more work at the elementary level, it will alleviate the work that the SROs at the middle and high school level have to do when these kids move up.

The SRO is just one part of extensive security measures LPS has in place throughout the district, including: 24-hour centralized electronic security monitoring for all district facilities, a radio communication system that allows 24-hour direct contact with law enforcement agencies, ID badges for key card access controlled entry, improved sight lines and rapid 24/7 response protocol. But even with the latest security technology deployed, the SROs utilize smiles and face-to-face interactions to build strong relationships in their school communities.

"I try to say hi to every student I see, and I work at making connections with them so they see me as a person AND an officer," said Powell Middle School SRO Kristin Bunten. With five years

of SRO duty at Powell and more than 20 years of experience in law enforcement, including six years as a detective, Bunten knows what early intervention can do for a kid's future - and she takes that role personally. "It feels like family here at Powell. I cry for these kids, I love them and sometimes I have to discipline them. In some cases, and this is when it's tough, I'm the only person in their life that will do all three. I try to teach them that actions have consequences and I offer guidance that hopefully keeps them from making big mistakes. In the end, my job is to protect the community and the students."

Because the LPS district has schools in both Littleton and Centennial, the SROs are employed by the Arapahoe County Sheriff's Office and the Littleton Police Department. The total SRO budget for the LPS program is more than \$1 million per year - thankfully the cities of Littleton and Centennial cover half of that cost, which makes the program possible. Every middle school has a full-time SRO and every high school has at least one full-time SRO. Additional SROs share coverage of the elementary schools in the district.

"The SRO program has become an invaluable partnership between Littleton Public Schools and the Cities of Littleton and Centennial," said Clay Abl, Director of LPS Secondary Education. "They provide safety and security for our students and staff and have

become an essential part of our school district family. They aren't just patrol officers - they come in and get to know the kids, the staff and the parents, so when issues arise, they have a foundational relationship to help them problem solve. They have become part of the staff and are crucial to the well-being of our LPS community."

Maintaining a safe and secure learning environment is at the core of the SRO's role in the LPS community, and our schools are safer because of their presence and dedication. The SROs

are in a unique position to effect real change at every level with their collaboration. "In my day-to-day SRO activities, I do my best to ensure that the school stays at a high level of awareness for the safety of the building. It's a team effort in our schools to educate and protect," said Deputy Edson. "My job is to connect with kids and train and teach staff to be aware and prepared. Our work is to prevent a problem before it happens, but when someone needs help, we are coming. And quickly. Nothing is more important than being sure our students are safe."

HIGH SCHOOL

GRADUATION MOVING TO RITCHIE CENTER

Littleton Public Schools is pleased to announce that, beginning with the Class of 2019, Arapahoe High School, Heritage High School and Littleton High School will hold their graduation ceremonies at the Ritchie Center on the University of Denver campus. Each LPS high school will participate in separate graduation ceremonies, held at different times, on Saturday, May 25, 2019.

The decision to move to a Saturday graduation indoors follows a year of conversation and inquiry. Many school districts choose to hold graduation ceremonies indoors on a Saturday because they share similar concerns. Concerns in LPS include annual worries that rain and lightning could force graduation to move inside a high school gym, severely limiting the number of family members who could attend; lack of adequate parking at the LPS Stadium; over-capacity crowds; and safety.

Moving graduation to a large, indoor venue on a Saturday offers many benefits to families:

- Alleviates concerns about heat, lightning, rain or snow;
- Will not have to limit the number of attendees due to limited seating;
- Ample parking available;
- Fewer athletic schedule conflicts and fewer national testing day conflicts for our graduates;
- More convenient for out-of-town family members to travel to attend a Saturday ceremony.

Each high school will provide additional details for the Class of 2019 as they become available.

HIGH SCHOOL PROFILES

ARAPAHOE HIGH SCHOOL (9–12)

SOURCES OF PRIDE AND SPECIAL RECOGNITION

- Tradition of academic excellence, strong school spirit and positive student-faculty relationships
- Blue Ribbon School of Excellence as recognized by the United States Department of Education
- John Irwin Award recipient. This award is given to schools that demonstrate excellent achievement on the School Performance Framework that is used by CDE to evaluate schools. We meet or exceed expectations on the academic achievement indicator
- Our Warrior mascot is endorsed by the Arapaho Tribe – we are proud of our sincere relationship with people in the Native American culture
- Recognized nationally by *US News and World Report* in its “Best High Schools Rankings”
- Recognized as “One of the Best Public High Schools” – by *5280* (2013)

ACADEMIC PROGRAMS AND SPECIAL FEATURES

- Tradition of student academic excellence
- Hardworking faculty skilled in motivating teenagers
- Caring, experienced, high-quality staff
- Very active PTO with outstanding parent involvement
- College credit available through Advanced Placement and Concurrent Enrollment programs (891 Advanced Placement exams written in 2018)
- 90% of Arapahoe graduates attend two and four year colleges/universities
- 2018 graduates offered just over \$23 million in scholarships and grants
- Top ACT scores (including a perfect score in 2013, 2014, 2015, 2016 and 2017)
- 17 National Merit Scholars
- Prestigious Boettcher Scholarship offered (2013, 2014, 2015 and 2018)
- Prestigious Daniels Fund Scholarship offered (2015, 2016 and 2017)
- Military Academy Appointment offered (2013, 2016, 2017 and 2018)
- Comprehensive curriculum including exciting and unique electives such as Medicine Class (taught by local physicians), Scuba Diving and Crime Lab Science

- 21st Century Learning – strong emphasis on use of technology as a resource for teaching and learning (Grades 9–12 1:1 ratio of students to device)
- Courses embedded in the master course schedule to support STEM education including computer science and engineering
- Programs offered for special needs students with non-special needs student involvement
- Variety of vocational educational programs are available through Area Career & Technical School (ACTS) program
- Single gender classes available in many content areas

ACTIVITY ACCOMPLISHMENTS AND SOURCES OF PRIDE

- Amazing school spirit and student-directed leadership
- Student self-esteem is earned through authentic achievement in a nurturing culture
- Warriors practice student civility, mutual respect and always taking care of one another
- Active Link Crew program where upper class students mentor freshmen
- Over 50 clubs and activities offered
- Toy Drive collected over 1,000 toys and delivered to Field Elementary in LPS
- Student Council raised \$16,000 to benefit the Make-A-Wish Foundation during Warrior Week
- FBLA had 29 Finalists and 16 students qualified for the National FBLA Conference in Baltimore, MD this summer. AHS had the largest FBLA Chapter in the State for the second year in a row with 174 members
- DECA had 58 students compete at the State Conference – 21 students were finalists, 15 students qualified for Nationals and 1 student finished Top 10 in the nation.
- Concert Band – “Good” Rating at CHSAA Large Group Band Festival
- Symphonic Band – “Excellent” Rating at CBA Concert Band Regionals
- Wind Ensemble – “Superior” Rating at CBA Concert Band Regionals
- Winter Guard – 2018 RMCGA State Runner-up
- Winter Percussion – 2018 RMPA State Silver Medalists
- Orchestra – “Superior” Rating at CHSAA Large Group Orchestra Festival
- Students selected to: All-State Band, All-State Choir and All-State Orchestra

SCHOLAR-ATHLETE ACCOMPLISHMENTS AND SOURCES OF PRIDE

- One of the highest ranked 5A Athletic High Schools as rated by *Mile High Sports Magazine*
- 24 Varsity Athletic Programs – 1049 total student-athletic participants throughout the school year
- 7 Academic Team State Titles
- 37 State Championships
- 59 State Runner-Up Championships
- 26 Scholar-Athletes from the Class of 2018 signed Letters of Intent to colleges/universities

- 64 Athletic Teams (all levels)
- Baseball – Final Four State Tournament
- Cheer – Centennial League Runner-Up, 4th place at Regionals
- Boys Cross Country – 3rd place at Regionals
- Girls Cross Country – 3rd place at Regionals, one runner 1st Team All-League and All-Region
- Boys Golf – Centennial League Champions for third straight year, Regional Champions for second straight year, 3rd place in State Championships with one All-State player
- Girls Golf – qualified three players for CHSAA State Tournament
- Boys Lacrosse – State semi-finalist
- Girls Lacrosse – State quarter-finalist
- Boys Soccer – one All-State player
- Girls Soccer – two All-State players
- Boys Swimming/Diving – 4th place overall at State Meet
- Girls Swimming/Diving – 4th place overall at State Meet, one All-State champion
- Boys Tennis – Centennial League Runner-Up, Regional Runner-Up, qualified 7 players for State Tournament
- Girls Tennis – Centennial League Runner-Up, Regional Runner-Up, qualified 10 players for State Tournament
- Toms – 3rd place in Centennial League
- Volleyball – Centennial League Runner-Up, Regional Champions, tied for 9th at State Tournament
- Wrestling – three state qualifiers

IMPORTANT DATES

303-347-7600

Littletonpublicschools.net/Schools/Heritage-High-School

PRINCIPAL: Stacey Riendeau

ATTENDANCE: 303-347-7630

ACADEMIC RECOGNITION

- *Newsweek* and *US News & World Report* have recognized Heritage as one of “America’s Best High Schools,” placing HHS in the top 1% percent of high schools in the country. *The Washington Post* has recognized HHS as one of “America’s Most Challenging High Schools” & 5280 Magazine has rated HHS a top Colorado high school
- Recognized by the U.S. Department of Education as a “Blue Ribbon School”
- Recipient of the Governor’s Distinguished Improvement Award and a six-time winner of the John Irwin Schools of Excellence Award
- Ten Heritage students were recognized by the National Merit Scholarship Program in 2018 with two Finalists
- One Heritage student was awarded the Daniels Fund Scholarship in 2018
- Average composite scores on the national ACT and SAT exams, as well as averages on state-mandated standardized assessments, are consistently above the state and national averages – including a perfect ACT score in 2015 and 2016

HERITAGE IS KNOWN FOR:

- Strong Academics – Heritage offers a Comprehensive College Preparatory Program
- A 93% graduation rate – 87% of students bound for college
- AP Capstone – one of a select few high schools in Colorado to offer the AP Capstone program/diploma
- INCubatoredu – one of a select few high schools in Colorado to offer the INCubatoredu program (incubatoredu.org/programs/incubatoredu/)
- 26 Advanced Placement courses offered in all core subjects with several electives
- 580 AP students took 1200 AP exams in 2018
- HHS grads offered \$12 million in scholarships in 2018
- 97% average daily attendance
- 21st Century Global Readiness
- Concurrent Enrollment classes with dual high school and college credit opportunities
- Heritage students are globally aware and are actively making the world better
- The HHS Gifted and Talented program assists students to reach new heights
- 80% of HHS educators hold a master’s or doctorate degree
- Post-Grad Center helps guide students to make informed decisions about their future

- HHS ensures a rigorous curriculum with personalized learning
- Vocational education and work-study programs offer practical skills and experiences
- Advisory student/mentor advisement program
- Voyager online courses at Arapahoe Community College assist in nontraditional learning
- Strong computer & technology presence in all subject areas
- High speed wireless internet access building-wide
- Summer College Application Process Workshop for seniors
- Summer Science, Technology, Engineering, Arts and Math (STEAM) Academy

STRONG ATHLETIC AND ACTIVITY PROGRAMS

- MAD Week 2018 – HHS students raised \$29,490 for our sister school in Kabala, Sierra Leone
- HHS students raised more than \$200,000 over 11 years to “Make a Difference” in Africa and India
- LINK Crew mentoring program for 9th graders and new students
- More than 40 Clubs including: FBLA, Alpine Club, Boys Volleyball, NHS and TSA, to name a few
- More than 70% of students are engaged in activities
- More than 60% of students participate in athletics
- Twenty student-athletes signed NCAA scholarships
- Only LPS high school to offer CHSAA Ice Hockey and Gymnastics
- 2016 & 2017 5A 1st Place finish at Regional – Boys Tennis
- 2017 5A Top 5 individual finish at Regional – Girls Golf
- 2017 5A 2nd Place finish at Regional – Girls Tennis
- 2017 5A 5th Place finish at State – Girls Tennis
- 2017 5A State Champion Lauren Thomas – Girls Tennis
- 2017 5A 5th Place finish at State Playoffs – Girls Golf
- 2017 5A State Qualifier – Girls Gymnastics
- 2018 League Champions and 5A State Playoffs (Quarterfinals) – Top 5 RPI – Ice Hockey
- 2018 5A State Qualifier – Wrestling
- 2017 5A State Meet – Boys Swimming
- 2018 4A 4th Place Team finish at State Meet – Girls Swimming
- State Meet 2018 4A State Champion and Colorado Swimmer of the Year – Kylie Andrews – Girls Swimming
- 2018 5A State Qualifier – Boys & Girls Track & Field
- 2018 Baseball State Qualifier and Host of Round 16, 2nd RPI, Elite 8
- Multiple State Qualifiers in Golf, Swimming, Wrestling, Gymnastics, Track & Field and Tennis
- Music Students honored at the Continental League Music Festival for their excellence in Band, Orchestra and Choir – with the most performers from any one school

AWARDS AND RECOGNITION

- Over \$5.4 million in Bond improvements completed at LHS from 2014-2015, including theater renovation, new athletics addition, new high-tech classroom space, roofing, security and mechanical work. Thank you, LPS voters!
- 2018 Finalist for the Succeeds Prize for STEM Schools (winners announced September 2018)
- Named one of "America's Best High Schools" by *Newsweek*
- Named one of the nation's most successful high schools by the Council of Chief State School Officers and the International Center for Leadership in Education
- Recognized by the U.S. Department of Education as one of four high schools in The High School Initiative
- One of three high schools featured in *Breaking Ranks II*, published by the NASSP
- Featured in *5280* for outstanding International Baccalaureate program
- IB program in its 21st year; over 90% of IB students have been awarded IB diplomas
- LHS seniors are regularly recognized by the National Merit Scholarship Program, the Boettcher Foundation Scholarship Program, the Daniels Fund Scholarship Program and the Presidential Scholar Program
- Reganne Fornstrom, Class of 2018, National Merit Scholar

ACADEMIC PROGRAMS

- The International Baccalaureate Diploma Program offers a comprehensive program of the most demanding and integrated coursework available at any high school in America, or around the world. IB aims to "do more than other curricula by developing inquiring, knowledgeable, and caring young people who are motivated to succeed." LHS has the only IB program in the district
- Advanced Placement courses in 13 different subjects offer students additional 'a la carte' access to rigorous courses and college-level exams
- STEM Certificate Program, in partnership with Arapahoe Community College and CU Denver, offers students enhanced coursework and post-secondary planning in science, technology, engineering and math, including Animation, Creative and Collaborative Problem Solving, and Computer Science I and II
- Early High School offers accelerated 8th graders an early start on high school
- Honors classes in all core areas at 9th and 10th grade, including world language
- Special education resource program for students identified with learning disabilities
- English Language Development (ELD) Program recog-

nized three times in three years for outstanding achievement by the State of Colorado

- Graduates in the Class of 2018 offered more than \$11 million in scholarships
- Post-graduate center provides transition planning for all grade levels and extensive services for students who will be the first generation to attend college, including the NET program
- Over 80% of students go on to higher education
- Block schedule, unique to Littleton High School, allows more time for in-depth teaching and learning

ACTIVITY PROGRAMS / SPECIAL FEATURES

- Yearbook: The Cor Lionis yearbook has been recognized as Best Overall Yearbook at the Rocky Mountain Journalism Camp in addition to receiving Best of Colorado awards
- Newspaper: The Lions' Roar is continually recognized with Best of Colorado awards, for both printed and online work
- Speech and Debate: Three students will represent LHS in the 2018 National Conference in Florida
- Technology Student Association: State Champion Colorado Chapter of the Year 12 times in 13 years. In 2018, twelve TSA events qualified for the national tournament
- DECA: 71 DECA members competed at the State Leadership Conference – 29 students made State Finals and 16 students qualified for nationals. Two LHS students were finalists at the International DECA Conference in April 2018.
- FBLA: 31 FBLA members attended the State Leadership Conference – 19 students earned top honors at the state competition, including 12 national qualifiers.
- Student Council: Opportunities for leadership at school and in the community, and to give back to the community through various events such as "Urban Peak Week," fundraising for Musana.
- Art: Individual, League and Regional Champions LHS student Holley Brown earned national honors for her costume headpieces in the fashion category at the annual Scholastic Art and Writing Awards through the Alliance for Young Artists and Writers
- Award-winning Instrumental, Theater and Vocal Music programs: consistently represented in Continental League and All-State Ensembles. School musicals are regularly nominated for "Bobby G Award" High School Grammy Nominations. Music students regularly travel nationally and internationally. Marching Band performs across the state through the winter and travels internationally. Seven students were selected to the Southwest ACDA Honor Choir, 11 students were selected to the 2018 Colorado All-State Honor Choir and four students were selected to the 2018 All State Jazz Choir. LHS is the only Colorado high school to have students selected for All State Jazz Choir for the last 19 years.
- Political Committee: Participates actively each year in state and local issues by testifying at the State Legislature, meeting with the Superintendent, etc.
- FCCLA: Members participate in various local competitions, including "Salsa Wars"
- Key Club: Participates in various service projects to help the international and local community including raising money for UNICEF, packing food for Kids Against Hunger, helping to organize Thanksgiving baskets for Littleton families and hosting the "X the Text" campaign.

ATHLETICS PROGRAM OVERVIEW

- LHS offers a full complement of CHSAA-sponsored athletic programs for girls and boys, including Spirit. The Lions Sports Booster Club supports all of our programs in raising funds and building school pride.
- LHS athletic programs, coaches and student-athletes continue to be recognized for successes in the classroom and in competition. Student-athletes consistently earn Academic Honor Roll recognition each season. Several programs qualify for the state playoffs, and coaches and student-athletes earn all-league and all-state honors. We are also proud of our student-athletes who go on to play at the collegiate level.

2017-2018 ATHLETIC PROGRAMS ACCOMPLISHMENTS

- 14 of 20 Lions Varsity teams were recognized as CHSAA/Les Schwab Academic Team Champions with a cumulative GPA of over 3.5.
- 15 athletic programs competed in CHSAA State Playoffs
- Boys & Girls Soccer reached CHSAA 4A quarterfinals
- LHS seniors Addi Iken (3rd Place – Cross Country) and Brittany Line (4th Place – Shot Put) finished near the top of the CHSAA state standings in their respective sports
- Jeffco Coach of the Year Awards went to Lions Head Coaches Pedja Vajzovic (Boys Soccer), Terry Banfield (Girls Soccer) and Andy Farner (Boys Swimming)
- The Lions Girls Soccer program was awarded the Academic and Sportsmanship Honor through NSCAA, winning the Academic award for the 20th consecutive year.
- Four senior LHS students were recognized as Jeffco League MVPs – Zach Maguire (Boys Soccer), Zack Fox (Boys Tennis), Nick Caswell (Baseball) and Sarah Payson (Girls Soccer)

EARLY HIGH SCHOOL AT LITTLETON HIGH SCHOOL

The Early High School program at Littleton High School allows 8th graders who are ready for high school-level instruction to get a jump-start on their high school experience. This program is designed for 8th grade students who excel in the arts, technical fields, math or sciences.

The program is open to 8th graders who are socially and academically ready to become full-time students at Littleton High School. They will take a combination of 8th grade and high school classes, completing academic prerequisites earlier and making room for more choices later in high school. These students will have more flexibility in whatever academic pathway they pursue – International Baccalaureate (IB), Advanced Placement (AP), concurrent enrollment courses, STEM or Career/Technical Education courses.

The Early High School program is a unique experience, as it lets 8th graders take classes alongside Littleton High School students but they will convene for a daily Humanities block consisting of the state-required language arts and social studies curricula. 8th graders will have a sequestered,

IMPORTANT DATES

2018 – 2019 School Registration: Will be completely online. Registration information will be sent electronically to registered students in July. Schedules may be viewed on Infinite Campus in early August.

Early High School, Freshman and Transfer Student Orientation:

Thursday, August 16, 2018

First Day of School:

Friday, August 17, 2018

Back to School Night:

Wednesday, August 22, 6 p.m.

Graduation:

Saturday, May 25, 2019

The Ritchie Center at the University of Denver

closed-campus lunch for additional support and socializing. They can participate in school clubs and activities, but not athletics sponsored by the Colorado High School Activities Association (CHSAA).

“The purpose of Early High School is to give middle school students who want acceleration a bridge between their middle school and their high school program,” said Amy Oaks, Littleton High School’s principal.

To qualify academically, students need to be able to read on a 9th grade level, and they need to be ready for algebra. Admission decisions will be made as applications are received, and Early High School is open to in-district and out-of-district students.

For more information, go to the Littleton High School Early High School website: littletonpublicschools.net/schools/littleton-high-school/about-program.

MIDDLE SCHOOL PROFILES

EUCLID MIDDLE SCHOOL (6-8)

777 W. Euclid Avenue
303-347-7800
[Littletonpublicschools.net/Schools/
Euclid-Middle-School](http://Littletonpublicschools.net/Schools/Euclid-Middle-School)

PRINCIPAL: Cindy Corlett

ATTENDANCE: 303-734-6100

ACADEMIC PROGRAMS/SPECIAL FEATURES

- Euclid Middle School Core Values: Challenge, Community, Choice, Character
- “Every Student a Leader” is a one-of-a-kind leadership strand offered to all students. The Euclid staff developed this program specifically for middle school students to help them practice leadership qualities in a supportive environment. This program takes its cue from several sources, most notably “The 7 Habits of Highly Effective Teens” by Sean Covey and “Key Elements of the Officer Development System” at the U.S. Air Force Academy. This program includes the elective leadership course at both the 7th and 8th grade levels.
- Falcon Feather recognition program; Euclid promotes leadership in four layers: personal, interpersonal, team and organizational. Students can earn “Falcon Feathers” in seven different leadership areas: Get Involved; Start with The End In Mind; The Choice is Yours; Put First Things First; Think Win-Win; Seek First to Understand, Then to be Understood; and Teamwork.
- ‘School within a School’ program aligned with the middle school philosophy that includes core teams at all grade levels. Core teams create smaller communities of learners where students connect with teachers and other students in a supportive environment.
- Core + at each grade level to include academic and social/emotional support time daily
- Challenging curriculum for all academic skill levels in language arts, reading, science, math and social studies
- Extensive exploratory/elective program in fine, practical and performing arts, Spanish, innovative STEM courses, design & build technology lab with a wood/modeling shop, physical education, band/vocal/strings music program, art, leadership and more
- An innovative STEM Center, hands-on learning in an engineering and manufacturing lab environment, real-world connections are made in these centers by involving 21st Century skills

- A Chromebook for every student in a 1:1 environment; technology integrated into classroom instruction and learning via Smartboards, projectors, document cameras and Google Suites, including Google Classrooms
- Full-time Gifted and Talented facilitator managing an extensive program with a variety of course offerings and opportunities: Grades 6-8, differentiated curriculum choices, curriculum compacting, academic competitions, elective choices and integrated classroom instruction
- Leveled math courses at all grade levels, with grouping opportunities for all student needs
- A signature climbing structure, provided by grants from Great Outdoors Colorado and the City of Littleton, creates a playground and park within the Euclid neighborhood
- Special education resources and individual needs programs available
- Student academic recognition programs: fall and spring honor roll receptions, 8th grade academic Continuation and Award Celebration, and National Junior Honor Society (NJHS)
- Intramural sports, clubs, student leadership cadre, peer helpers, Where Everyone Belongs (WEB) 6th grade student welcome program, Geography Bee, Mathcounts, Spelling Bee, Brain Bowl, Technology Student Association (TSA), Student Council and Sources of Strength are a few examples
- Multiple musical productions involving 100+ 6th, 7th and 8th grade students
- A recent library media center renovation funded by the PTO; extensive literacy support, resources and extensive collection of fictional reading; an interactive website; open Monday – Thursday until 5:10 p.m.
- A Positive Behavior Intervention Support (PBIS) school: students practice “Being REAL by Being Respectful, Excellent, Accepting and a Leader”

All registration and schedule pick-up will be completed online through Parent Portal. Please check our website: littletonpublicschools.net/schools/goddard-middle-school for more detailed information and for the step-by-step instructions. Upon completion of online registration and updating your annual family check-in, schedules will be available through Parent Portal at 3 p.m. on Friday, August 10. Paper schedules will be available for students at the open house and on the first day of school.

Open House for all Families:

Monday, August 13, 9 a.m. - Noon

Come and get familiar with the building, work out those nervous jitters, find your locker and walk the halls to get a feel for your schedule. Yes, you can bring your school supplies to put in your locker or you can wait until the first day of school. Pay Fees, sign up to volunteer and get information about school pictures and yearbook. Teachers will not be available this day. Computers will be available for families needing those resources for registration and annual family check-in.

First Day of School:

All students on Friday, August 17

- 6th grade only – 8:54 a.m. - 3:50 p.m. WEB Orientation for all 6th graders the morning of August 17th. **Buses will run at regular time, to pick up 6th graders*
- New to GMS 7th & 8th graders – 10 - 10:54 a.m. (Optional), for a mini-orientation/ice-breaker session.
- Returning to GMS 7th and 8th graders – 10:54 a.m. - 3:50 p.m. **Buses will run 2 hours later than your normally scheduled pick-up time to bring you to school for a 10:54 a.m. start time.*

Back to School Night:

Thursday, August 23 at 6 p.m.; special programs (GT, ELD, Special Education) meet at 5:30 p.m.

NEWTON MIDDLE SCHOOL (6-8)

4001 E. Arapahoe Road
303-347-7900
[Littletonpublicschools.net/Schools/
Newton-Middle-School](http://Littletonpublicschools.net/Schools/Newton-Middle-School)

PRINCIPAL: James O'Tremba

ATTENDANCE: 303-734-6240

ACADEMIC PROGRAMS/SPECIAL FEATURES

- High standards for academic performance and student behavior
- Consistently ranked in the top ten for comprehensive middle schools in the Denver Metro Area
- Accelerated course offerings in math and language arts, with language arts and math classes offered to all students for 80 minutes every day
- Ability-grouped mathematics program across the school, including algebra and geometry
- Intense concentration on the Newton reading and writing process in all classes. All students will be enrolled in reading classes, enrichment or intervention courses per individual student needs
- Individual student's needs addressed through differentiated instruction and academic support
- Comprehensive full-time Gifted and Talented program and Special Education program
- 80-minute block schedule
- Commitment to developing responsible students with strong study skills and organizational habits
- Technology viewed as a critical tool that must impact instruction and student learning

- 3 computer labs, each equipped with 32 computer stations
- A state recognized STEM education program with new state of the art equipment/technology
- Comprehensive intramural program and club offerings with active student participation in intramurals, clubs and activities (over 500 students were involved during the 2017-18 school year)
- State-of-the-art fitness lab with treadmills, spin bikes, stationary bikes, elliptical machines and a climbing wall
- Greenhouse
- Officially designated "No Place for Hate" school, 2018 No Place for Hate Middle School of Excellence Award Winner
- Involved Positive Behavior Intervention Support school
- Student leadership opportunities through Student Government, National Junior Honor Society and Tri-M Music Honorary
- Extensive Knight Time course offerings that allow additional Enrichment or Intervention courses tailored to the student's individual needs

IMPORTANT DATES

First Day of School:

Friday, August 17

Start times:

Grade 6: 8:54 a.m.

Grades 7 and 8: 10:54 a.m.

Locker Set-up:

Wednesday, August 15, 8 - 11:30 a.m.

Back to School Night:

Thursday, August 23, 7:00 p.m.

Parent Conferences:

POWELL MIDDLE SCHOOL (6-8)

8000 S. Corona Way
303-347-7950

[Littletonpublicschools.net/Schools/
Powell-Middle-School](http://Littletonpublicschools.net/Schools/Powell-Middle-School)

PRINCIPAL: Steve Wolf

ATTENDANCE: 303-734-6310

ACADEMIC PROGRAMS

- Powell has grade level classes for 6th, 7th and 8th grade core academic subjects: language arts, mathematics, science and social studies. We have differentiated learning opportunities for all levels of learners: enrichment and acceleration in mathematics and language arts; interventions and support provided for reading, writing and mathematics. Powell also has a comprehensive and inclusive program for students with a variety of special education needs.

SPECIAL FEATURES

- Powell offers the broadest array of Exploratory/Elective programs in the South Metropolitan Area including: Gifted and Talented Seminar, Spanish I and II, vocal, strings and instrumental music along with guitar, STEAM (Science, Technology, Engineering, the Arts and Mathematics), physical education and health, foods/sewing, yearbook, electronic publishing, digital media, photography, speech and drama, 2D & 3D art, environmental science, woods and metal tech., service learning and more.
- Powell offers CORE Plus and tutorials to enrich learning opportunities in a small learning environment (approximately 20 students) in all curricular areas. CORE Plus is similar to a homeroom type class setting.

ATHLETICS

- Powell competes in intra-district athletics for Grades 7 & 8 and currently holds 8 of 12 championships. Powell offers the opportunity for intramural competition in Grade 6.
- Athletic offerings include: Boys & Girls Track, Wrestling, Boys and Girls Basketball and Girls Volleyball.

CO-CURRICULAR AND ENRICHMENT ACTIVITIES

- National Junior Honor Society, Student Council, Destination Imagination, Brain Bowl, MathCounts, Art Club, Spelling Bee, TSA club, Chess Club, Gamer's Club, Jazz Band, Cross Country Club, Rubik's Cube Club, Golf Club, Breakfast Club, Puma Prowl (all school run), 8th Grade Washington D.C. Trip and the opportunity to create new clubs each year. Clubs are created based on student interests, under the support and supervision of a willing staff sponsor.

SCHOOL FOCUS

- Powell has a strong academic focus on critical thinking and problem solving skills across the curricula as each pertains to 21st Century Literacy. We have a dedicated emphasis on intentional, cross-curricular design to extend learning beyond the classroom walls reinforced by our 1:1 Chromebook initiative. Powell has high expectations and standards for behavior, including student and staff training in Positive Behavior Interventions and Support (PBIS). We have a highly trained and committed staff; nearly all have earned advanced degrees. We are focused on building responsible, motivated learners in a caring environment.

A Caring Community = Great Schools!

LPS places the highest priority on involvement with its community. Local citizens serve on numerous committees, both at the school and district levels, to build upon the strong foundation of educational excellence and guide the district into the future. Some of these committees meet regularly and some meet when needed. Community involvement opportunities include:

- District Accountability Committee (DAC)
- PTO Presidents Council (PPC)
- Financial Advisory Committee (FAC)
- Special Services Advisory Committee (SSAC)
- Gifted and Talented Advisory Council (GTAC)
- Education Technology Advisory Committee (ETAC)
- LPS Foundation Board of Directors
- Wellness Committee (WC)
- Long Range Planning Committee (LRPC)
- District Calendar Committee
- Littleton Council for Educator Effectiveness
- Individual school accountability committees
- Individual school PTOs
- Individual school booster clubs

For more information about the charges of these committees and to find out how to get involved, visit: littletonpublicschools.net/content/advisory-committees

HOPKINS ELEMENTARY SCHOOL (PRE K-5)

7171 S. Pennsylvania Street
303-347-4550
Littletonpublicschools.net/Schools/Hopkins

PRINCIPAL: Lyndsey Case

ATTENDANCE: 303-734-5555

OUR MISSION

Hopkins is a loving and supportive community where all students can and will achieve high academic and social emotional success. We practice B3: be safe, be respectful and be responsible!

ACADEMIC PROGRAMS/SPECIAL FEATURES

- Extended learning opportunities include: art, music, physical education and library
- Clubs and activities include: Choir, Science Fair, Run Club, Chess Club, Lego Robotics, Math Olympiad (5th), Kindness Club, Battle of the Books (4/5) and Talent Show
- Full-day kindergarten
- Academic curriculum includes literacy, math, science, social studies, physical education, music, art and library
- Computer Access: All students Grades 2-5 have 1:1 access to computers to integrate into all subject areas. Students use the computers throughout the day to write, read, practice mathematics, collaborate and research. Students also use class wikis, blogs and Google Docs to synthesize their work.
- PLCs: Teachers collaborate weekly to study assessment data and adjust instruction to meet the needs of each student. We set long and short term goals for every student and carefully monitor progress. As a result of this strategic approach to instruction, Hopkins students are achieving the highest reading scores since the inception of state testing.
- Positive Behavior Intervention Support (PBIS): a proactive, school-wide approach to discipline which focuses

on teaching and supporting positive behavior in all students. B3 is our PBIS motto. All teachers hold a 20-minute community time each day to teach second step curriculum, restorative circles, social/emotional support and community building. We also have a counselor here four days per week.

- School Age Child Care (SACC): High Hoppers is available throughout the school year for students K-5, 6:30 a.m. - 6 p.m. Students enjoy a wide range of enrichment opportunities and activities. SACC is closed for school holidays but is available on in-service, late start and early dismissal dates
- Summer Child Care: Summer day child care is available for school age children going into K-6

PRESCHOOL

Younger preschool and older preschool classes are available for students 3 to 5 years old. We provide a balanced curriculum promoting the social-emotional and academic growth of each child through age-appropriate activities in a safe and nurturing environment. Half-day and full-day are available, as well as before and after preschool care.

IMPORTANT DATES

Ice Cream Social/Drop-Off Supplies:
Thursday, August 16, 4 - 6 p.m.

First Day of School:

Friday, August 17, 8 a.m. - 12 p.m.
Lunch will be served at school

RALPH MOODY ELEMENTARY SCHOOL (PRE K-5)

6390 S. Windermere Street
303-347-4600

Littletonpublicschools.net/Schools/Ralph-Moody

PRINCIPAL: Dr. Allyson Mallory

ATTENDANCE: 303-734-5640

ACADEMIC PROGRAMS/SPECIAL FEATURES

- We provide a rigorous and comprehensive academic program that addresses the traditional subjects of reading, writing, math, science and social studies with extended learning opportunities in the areas of physical education, music and art.
- Free full-day kindergarten
- Ralph Moody's Gifted and Talented program is a comprehensive program available to students kindergarten through 5th grade. Students identified and those students "guested in" get the opportunity to extend beyond the classroom to higher level more challenging projects and content. Beyond the classroom, the GT Facilitator provides enrichment clubs such as Battle of the Books, Math Olympiad and a yearly Spelling Bee.
- Technology: 1:1 Chromebooks in Grades 3-5, 1:2 Touch Chromebooks in Grades K-2. Our RME Tech Team is researching a variety of programs and apps that can be used in the classroom to further enhance instruction.
- STEM: We have several ways STEM is integrated throughout the instructional day. We believe learning in Science, Technology, Engineering and Mathematics is an integral part of a child's learning. This is integrated throughout the Science, Social Studies and Math curriculums. We utilize modules from Project Lead the Way (PLTW) and another elementary STEM education program to provide access to coding, robotics and a variety of project based learning.
- PLCs: Teachers collaborate weekly to plan instruction, analyze grade level data and design instruction for students who would benefit from extension opportunities and/or interventions
- Clubs and/or Enrichment Opportunities: Coding Club, Science Matters, Chess Club, Spanish Club, Cartooning Club, Honor Choir, Violin Club, Band etc. (Clubs/Enrichment may change year to year.)
- Positive Behavior Intervention Supports (PBIS): Each day students receive instruction on social skills, character education and expectations. Students are able to role play different situations they may find themselves in at school and with peers.
- Preschool: In this program, we promote the development of children's self-esteem and social competence through a variety of age appropriate activities in a safe and nurturing environment. Our staff will help prepare children for kindergarten by providing meaningful experiences in order to enhance optimal growth in

social, emotional, cognitive, language and physical skills. We hope to provide a seamless learning experience for children who will attend Ralph Moody Elementary.

- School Age Child Care (SACC): The Ralph Moody SACC Program is a before- and after-school program that strives to meet the individual needs of each child and family. We have a safe, warm and inviting environment with experienced staff. Our program builds on the school day with after-school activities that meet the emotional, physical and cognitive needs of each child. We also offer a full-day program with fun-filled field trips during the summer.
- PTO: Ralph Moody Elementary has an active and engaged Parent Teacher Organization that provides fundraising support via events such as Fun Run, Silent Auction, restaurant nights and more. The PTO also coordinates fun school-based activities including Halloween and Valentines parties, parent-child dances, game nights and school carnival, as well as teacher appreciation and school spirit events.
- Mental Health Supports: Social and emotional well being is an important component to a comprehensive education. We have a full-time counselor, full-time social worker and half-time school psychologist to support students needing more specialized learning.
- Learning Support Services: programs for students with learning and behavior differences where we strive to meet their needs through the IEP process.

Student Attendance Critical Between September 26 and October 10

Funding for LPS is based on attendance during the state counting period. To maximize district funding for all its students, parents are asked not to plan activities that will take their children out of school from Wednesday, September 26 through Wednesday, October 10, with the official count day on Wednesday, October 3. Thank you for your cooperation!

Looking for LPS Bus Routes?

In an effort to increase student safety, LPS bus routes are available electronically through the Parent Portal of Infinite Campus. Routes are also available at each LPS school and at the Transportation Services Center.

Students who are not eligible for transportation but would like to apply for transportation may submit a Space Available Form.

Please visit littletonpublicschools.net/content/bus-transportation for details. Questions? Contact LPS Transportation Services, 303.347.4775.

- Flexible grouping to meet the needs of students
- Emphasis on developing the whole child
- Opportunities for volunteering in classrooms, PTO, TAC and Parents on the Playground

- High level of community involvement
- Welcoming community events such as Fall Festival, Twain on the Town, Holiday Boutique, Veteran's Day Celebration and more
- School-wide focus on Positive Behavior Interventions and Supports
- Focus on Life Skill of the Month to teach and celebrate social skills
- Student Leadership opportunities including Spirit Team, Community Outreach, Green Team and Morning Announcements
- Use of technology to support higher level thinking and real world applications, including 1:1 Chromebook ratio
- Literacy Specialist, Resource Program and Learning Support Services
- Counseling Center
- Instructional Coach
- Gifted and Talented Facilitator
- School Aged Child Care (before and after school care), Twain Tigers
- Morning and afternoon kindergarten with optional extended day for enrichment opportunities
- After school enrichment opportunities, including band, orchestra, chess, lego club and more
- Science Fair, Geography Bee, Spelling Bee, Math Olympiad, Know Brainer, Battle of the Books and other teacher sponsored activities

IMPORTANT DATES

Meet Your Teacher Night:

Wednesday, August 15, 2018 – 5:30 - 7 p.m.

Back to School Night:

Thursday, August 30, 2018 – 6 - 7:30 p.m.

Child Find Team Offers Free Preschool Screenings

The Littleton Public Schools Child Find Team offers FREE developmental screenings for newborns and children up to five years of age who show delays in development that could interfere with their education and learning. The team consists of an occupational therapist, speech/language pathologist and a school psychologist. The screening provides general information about a child's current speech/language, motor, social and pre-academic skills. It takes approximately one hour.

Families must live within the District boundaries to access these services. Following the screening, parents will receive feedback from the Child Find Team. If screening results indicate possible delays in development, the Child Find Team will recommend further assessment. (Screenings are not an assessment for kindergarten readiness.)

Parents who have concerns about their child's development should call 303-347-6980 to make an appointment.

12,000+

DID YOU KNOW...

More than 12,000 Chromebooks are used by LPS students every day.

WILDER ELEMENTARY SCHOOL (PRE K-5)

IMPORTANT DATES

Back to School Night and Picnic:

Wednesday, September 5 – 5:30 p.m. - 7:30 p.m.

LPS TRANSITION SERVICES

6557 S Acoma St

SPECIALIST: Mary Allman
mallman@lps.k12.co.us

INFORMATION

- LPS Transition Services is a community based program that serves a wide range of students with disabilities who are 18-21 years of age. Services and supports for students are based on their individual needs and their long term goals and outcomes. Staff strive to encourage active participation in the students community including the areas of vocational training, functional life skills, access to appropriate public transportation, recreation

- and leisure activities, healthy relationships and other areas that support an appropriate and meaningful level of independence for each youth in the program.
- Outcomes should and do look different for each individual as they prepare for what is appropriate for their next stage in life. Creative instruction and access to community services are integrated throughout the student's time in Transition Services.
- By exploring opportunities in their natural environment, students are more prepared for their adult life beyond the years in public schools. Our focus also encourages family members in understanding and seeking supports from many community agencies that provide adult services. These partnerships are invaluable to our students and their families so they are best prepared for an effective and meaningful transition to their adult communities.

NOVA CENTER (K-8)

1907 W Powers Ave.
*Opening a second site for students in
Grades 7-12 in the fall of 2018, located
at 4001 E. Arapahoe Road*

[Littletonpublicschools.net/District/
Nova-Center](http://Littletonpublicschools.net/District/Nova-Center)

PROGRAM DIRECTOR: Zachary Dominello

- Believes that the route to success for our students with emotional disabilities begins with individualized education that focuses on a high level of structure and consistency
- Provides a productive and positive learning environment that properly addresses internalizing and externalizing behavior issues and teaches self-regulation
- Rotational system of instruction for students is centered on 1:1, small-group and independent instruction – all with integrated technology throughout – incorporating a wide variety of comprehensive multisensory curriculums
- Only LPS students on Individual Education Programs (IEPs) are eligible to participate

ACADEMIC PROGRAMS/INFORMATION

- Provides a non-traditional instructional setting for LPS students from kindergarten through 12th grade

IMPORTANT DATES

All fall semester classes begin:

Thursday, August 16, 2018

School Start Time: 7:55 a.m. – School End Time: 2:35 p.m.

NEXT PROGRAM

Education Services Center (ESC)
5776 S. Crocker Street

PROGRAM DIRECTOR: Rachel Ramirez

*For information, contact:
Nathan Frasier, Coordinator of Blended
Learning Programs 303-347-5090
or nfrasier@lps.k12.co.us*

INFORMATION

- A collaborative partnership with Arapahoe Community College, Englewood Schools, Jefferson County Schools, Zero Dropouts and LPS
- Next is designed to re-engage over-aged (17-20 year olds), under-credited students who have either left high school

- or on the verge of dropping out to pursue a GED while concurrently pursuing a career path
- An individual learning plan will support students in preparing to pass the GED as well as connect students to Concurrent Enrollment opportunities at Arapahoe Community College and Career and Technology pathways
- Students can begin pursuing certificated programs in music, information technology, multimedia and graphic design, health or education fields

Last Day of School:

June 27, 2019

705,694

DID YOU KNOW...

LPS buses traveled 705,694 miles during the 17-18 school year.

THE ROCKY MOUNTAIN SCHOOL OF EXPEDITIONARY LEARNING (RMSEL) (K-12)

1700 S. Holly Street
Denver, CO 80222
303-759-2076
www.RMSEL.org

EXECUTIVE DIRECTOR: Chad Burns

ACADEMIC PROGRAMS/SPECIAL FEATURES

- Expeditionary learning recognizes that all students can learn and there are many routes to knowledge

- Learning is organized into purposeful expeditions of inquiry, discovery and action
- Standards-based portfolio assessment ensures that all students meet or exceed state standards in math, science, language arts, social studies and arts
- Expeditionary learning stresses character and intellectual development. Families and communities are important partners in teaching and learning.
- Fieldwork and internships take students into the community for deeper investigation and real-life experience
- Full-day comprehensive academic program - Grades K-12
- K-12 instruction in arts, technology and outdoor adventure

IMPORTANT DATES

Open House: Informational sessions for students, parents and educators on the first Thursday of every month at 8:30 a.m. when school is in session.

SCHOOL TO WORK ALLIANCE PROGRAM (SWAP)

Littletonpublicschools.net/SWAP

COORDINATOR: James Craig

ASSISTANT COORDINATOR: Hillary Bateman

OUR GOALS

- To expand employment opportunities for youth and build on current and future transition planning efforts for students with mild to moderate barriers to employment.
- To engage local employers in a partnership that supports a successful school-to-work transition.
- To encourage youth to maintain economic independence in their community.
- To help create career pathways through pre-employment transition services.

- Collaborative services between Littleton Public Schools and Division of Vocational Rehabilitation
- Assessment of vocational skills and interests
- Teaching social skills regarding work, home and community
- Career exploration opportunities such as job shadows and job tours.
- Support in post secondary planning and exploration
- Job seeking and job placement assistance
- Post-employment follow-up and support for both employee and employer

WHAT DOES SWAP DO FOR BUSINESS AND COMMUNITY

- Provide a pool of job ready candidates
- Provide information on the Work Opportunity Tax Credit (WOTC) for each employer
- Monitor participant performance
- Provide job coaching as needed
- Provide an opportunity to become involved with local community and schools
- Prepare youth for the transition into work through teaching job seeking and "job keeping" skills
- Promote the efforts of local businesses to expand their labor pool and customer base
- Provide on-site follow-up support to SWAP employers

WHAT DOES SWAP OFFER

- Available to youth ages 15-24

DRIVER EDUCATION

Saturdays, 8:00 a.m.- 4:00 p.m. at LHS

LITTLETON PUBLIC SCHOOLS

Arapahoe County School District #6
Littleton Public Schools
5776 S. Crocker Street
Littleton, CO 80120

Littleton Public Schools Welcomes New Students!

Littleton Public Schools offers many educational choices to resident and nonresident parents and students. State law allows non-resident parents to enroll their children in LPS or any other Colorado school without paying tuition when state and district guidelines are followed and space is available. Littleton Public Schools is the preferred choice for more than 3,000 students who live outside district boundaries.

Register new students by completing an online pre-registration form (<http://lps2.it/olr>) and meeting with the LPS central registrar at the Education Services Center. Bring with you proof of residency (for residents or acceptance letter from the school for nonresidents), child's birth certificate, child's immunization record, and individualized learning plans and transcripts, if applicable. Central registration is open daily from 8 a.m. to 4 p.m. at the Education Services Center, 5776 S. Crocker St., Littleton, CO 80120. Questions? Contact the registrar at 303.347.4360. School enrollment is completed by visiting your child's school to obtain class assignments and other school-specific information.
