LPS: WE ARE STRONGER

AN INTRODUCTION TO SOURCES OF STRENGTH IN LPS

We all need strengths in our lives. We know that hope, resiliency and positive connections can spread powerfully to help protect us from life's challenges. Come join us at a special event to hear how Littleton Public Schools is being transformed by a new approach led by youth.

- What are the protective factors that get us through difficult times and help prevent stress, substance abuse and suicide?
- What can parents do to help their kids become strong, resilient and healthy?
- Hear from LPS students about how they are spreading a message of hope, help and strength!
- Learn about the Littleton Sources of Strength program and how you can get involved.

**SOURCES
OF STRENGTH**

October 29th 7:00–8:30 p.m.

**South Fellowship Church
6560 S. Broadway
(Just behind McDonald Hyundai)**

Light Refreshments Provided
