

2021 Yearbook

8th grade memory ad

Express friendship, love or congratulations to the special student in your life with a personal 8th grade baby ad in the yearbook. Ever wished you could easily create a tribute ad for your student and be able to proof the ad design before it goes to print? Well, now you can!

With the easy ONLINE AD CREATION PROGRAM, you simply need to visit the website to design, proof, submit, and buy your ad. Once you log on, you will be able to choose your ad size, select your template design, upload your personal images and input your personal message.

Once you have created and proofed your ad, you can save the ad and still come back to make corrections before final submission. The finalized ad will be saved as a .jpg image and uploaded to the school's eShare library. The yearbook staff will then download your ad, place it on the yearbook page, and everything is good to go!

We encourage you to create and purchase your ad **before** the deadline. There is limited space available for ads in our publication. The deadline cannot be extended for this reason. Created ads that are **not** purchased before the deadline will not be included in the 2021 publication.

We are proud of our yearbook's award-winning tradition and we are working to produce another cohesive volume that celebrates all the great things that will happen at Powell Middle School this year.

Sincerely,
