

Exciting news from Littleton High School Athletics!

Littleton High School is thrilled to announce our partnership with Athletes in Motion (AIM) Sports Camps, bringing a new and exciting summer sports camp opportunity to our community.

At AIM Sports Camps, we believe in more than just sports – we believe in building community and connections through athletics. That's why we're proud to partner with local high schools like Littleton High School to provide an inclusive and dynamic multi-sport experience for students in grades K-8.

Our camp offers a diverse menu of multi-sport activities, from mainstream favorites like soccer and basketball to more unique options like rugby and ultimate frisbee. AIM Sports Camps prioritizes not only skill development and a focus on play, but also the holistic growth of every camper, fostering all the amazing attributes of a positive, engaged young athlete.

Our experienced coaches are committed to creating an inclusive environment where every camper feels valued and supported. Whether your child is new to sports or already a seasoned athlete, we meet them where they are and inspire them to thrive on and off the field.

Join us for a summer filled with laughter, learning, and the joy of exploring various sports at Littleton High School!

We are currently offering an Early Bird discount through April 1st - register your child for one or both of our Summer 2024 Camp weeks!

Week 1 - July 8th-12th
