Dear Euclid Middle School Parents and Community,

On behalf of our staff, I would like to welcome you to the 2019-20 school year. This is Euclid's 60th anniversary. We are excited to celebrate this milestone throughout the year! I am Cindy Corlett and I am honored to serve as principal of Euclid Middle School. This year will be a year of growth and achievement for our school and for our students as they "become and belong". The promise of a new year is always full of excitement for everyone. With that excitement comes a bit of nervousness as well, rest assured that is very normal!

At Euclid, we provide for these unique needs through academic and affective support systems. By meeting students where they are and developing their strengths, all students grow and find success as they develop a sense of belonging. To put this belief into action, Euclid is divided into core teams, thus creating smaller learning communities within a larger school setting. Teaming allows students to build relationships with peers and teachers, which as research shows assists in the development of community and increases student learning. Additionally, Euclid offers a robust and developmentally appropriate electives/exploratory program. These components align with a true middle school model and support the varying needs of young adolescents.

Euclid Middle School is a safe inclusive environment where students grow, learn, and thrive. We are thrilled to welcome a new class of enthusiastic 6th grade students to our school and transition the 7th and 8th grade students to a new grade level. To begin the year in a positive way, we offer WEB, which stands for "Where Everybody Belongs". WEB is a middle school orientation and transition program that welcomes 6th graders and new students and makes them feel comfortable throughout the first year of their middle school experience at Euclid. We also explore the 4 Core Values of *Challenge, Community, Choice, and Character* through the *Every Student a Leader* program. This program provides opportunities for student choice, service projects and outreach opportunities. The positive community and culture at Euclid Middle School is developed using the Positive Behavior Intervention Support (PBIS) program, called Be REAL (Be **R**espectful, **E**xcellent, **A**ccepting and a **L**eader). It is a proactive approach to establish behavioral supports needed for all students in a school to achieve social, emotional, and academic success. Through Be REAL, positive behavior is recognized and rewarded on teams and throughout the school community. Additionally, we are continuing the Sources of Strength program and will participate in opportunities to provide social/emotional support for all students at Euclid.

The 2019-20 school year will present many exciting opportunities for us to work collaboratively as a community while striving for excellence. It is well known that students thrive when families are actively involved in the educational experience. The partnership between home and school is an integral part of student success in growth and achievement. The Euclid staff is dedicated to building connections and relationships that assist us in maintaining a community feel that values and supports the unique needs of each student. Please note that our Back to School night is Thursday, August 22nd beginning at 6:30 PM.

School and Student Safety

8:30 am arrival and 4:00 pm departure

Students often come early or stay late at school for supervised activities. In order to maintain a safe and orderly environment, we ask that students only remain after school under teacher or parent supervision. The cafeteria and breakfast program is supervised from 8:30 - 8:50 am. It is requested that all students waiting for a ride home be picked up by 4:00 pm unless they are staying for an after school supervised activity.

Late buses will leave Euclid at 5:10 PM starting on Wednesday, August 21. They will run Monday through Thursday. There are no late buses on Friday.

Mission Statement:

Euclid Middle School, in partnership with families and the community, will provide every student with an education focused on engaging learning experiences, character development, and leadership skills. All learners will be challenged to achieve their greatest potential, within a positive, safe, and nurturing environment.

Dress Code

School is a place of work and learning, thus we dress in accordance to this standard.

General standards of appropriate dress include, but are not limited to, the following:

- Students are expected to exhibit reasonable cleanliness in their grooming and dress.
- Unacceptable dress includes clothing that is transparent or revealing, or inappropriate for the particular activity. Examples include, but are not limited to, spaghetti straps, halter-tops, pajamas, slippers or swimwear.
- Shorts or skirts must be appropriate length, fingertip length is a guideline.
- Undergarments must be covered.
- No low cut shirts or crop tops.
- T-shirt straps must be at least 2" wide.
- Also considered unacceptable is clothing advertising alcoholic beverages, tobacco, or drugs, displaying gang symbols, or using defamatory or vulgar, offensive or obscene language, design, or message.
- Students may not sag their pants.
- Hazardous apparel or jewelry, such as spiked belts, spiked wristbands, chains, or other items likely to injure the wearer or someone else are not permitted.
- Appropriate footwear is required at all times.
- Clothing must be worn as intended by the manufacturer.
- Hats or head coverings are not to be worn in the building.

Core Team Placement

When your child receives their schedule for the 2019-2020 school year you will be notified of their Core Team placement. The criteria for placing students at Euclid Middle School are:

- The Student Learning Profile (SLP). This was in the April newsletter.
- Balance of academic needs
- Balance in special education
- Balance in gifted education
- Teacher recommendations
- Balance in gender
- Assessment Data (iREADY, CMAS) identifying individual needs
- Staffing considerations

Counselors and administration spend a large amount of time to achieve balance in all these areas. The information you provided on your child, as well as any notes you wrote, gave tremendous assistance in the Core placement of your child.

Where Everyone Belongs - WEB

Attention all 6th grade and new students:

The sixth grade WEB orientation will be Thursday, August 16 from 9:00 AM - 12:00 PM in the gym. This is an optional activity but we encourage all 6th grade students to attend.

The following activities will be part of the orientation

- A short assembly welcoming everyone to Euclid.
- Break out groups where students get an opportunity to meet other 6th graders and 8th grade WEB leaders.
- Question and answer session (in their small groups) to ask anything they are worried about, concerned about, or just curious about.
- An entire school tour. They will see classrooms, locate the bathrooms, and the gym.
- A short closing assembly that reiterates how excited we are that they are here!
- Any questions please contact Mindy Morris at Euclid after August 6th.

There is no bus transportation on this day. Parents may drop their students off by 9:00 AM and pick them up at 12:00 PM.

Check Policy

Littleton Public Schools (LPS) uses Global Payments Check Recovery Services to facilitate the collection of returned checks due to non-sufficient funds (NSF) and closed bank accounts. Returned checks issued to LPS will reach Global Payments approximately 30 days from the date on which the check was written.

Please note the following:
Non-sufficient funds check – In most cases your personal bank will have notified you of this returned check. You will have received this notification prior to our receipt at LPS of the original returned check. You are encouraged to contact the recipient (school / department / program) and make arrangements to settle the amount due. Settlement of the check prior to our submission of the check to Global Payments is your only opportunity to avoid the collection process and fees.

Closed account check – Although every effort is made to deposit checks within two weeks of receipt by LPS, please check with your bank to ensure that every check written has cleared prior to closing an account. Our staff will be happy to assist you in determining the status of a check on an account you anticipate closing.

The collection process is similar to the one used to collect returned checks for local retailers. The key steps in this process are:

1. The returned check will be entered into the Global Payments data bank. This will affect the ability of the check writer to pay with checks at local retailers.
2. Subsequently, a Global Payments representative will attempt to contact the check writer by phone and/or by mail to make arrangements for payment of the returned check plus a fee (minimum fee of $40.00).
3. After 45 days, Global Payments may report the returned check to all three major credit bureaus.
4. After 60 days, Global Payments may opt to litigate to recover face value of the check plus collection fees.

If you have questions, please contact our bookkeeper at 303-347-7801. Thank you for your cooperation.
