ARAPAHOE TOMS

Dance Team

PROGRAM OVERVIEW

School Ambassadors

Spirit Program athletes are the most visible student athletes due to our year round participation. We participate in community and school events on a monthly basis, promoting school spirit. A fantastic way to get involved at school!

Enhance Dance Training

Weekly technique classes and constant performance opportunities at the school, community and competitive levels!

Develop Leadership Skills

Dancers learn how to communicate, work together, create a strong work ethic, balance a busy schedule, and so much more.

All levels & styles encouraged & welcomed!

The Arapahoe Toms Dance Team is a year long sport dedicating their time to support school spirit; fostering lifelong friendships; competing at regional, state, and national levels; train in a variety of genres such as hip hop, jazz/contemporary, poms, and game day; and challenge themselves academically.
