- **Assistance in contributing better service to the school district and community**
- **Examining ways to improve job satisfaction**
- **Valuing classified employees and recognizing their professional status within the district**
- **Recognition of classified employees' contributions to the District's mission**
- **Functioning as an information resource for all classified employee groups**

Ken Moritz called the meeting to order.

#### **Discussion**

Ken opened up meeting by asking classified members if they have issues or concerns to bring forward to board members.

The following issues were discussed:

- New start times
  - Concern about lack of communication
  - Bus route boundaries
  - After school activities impacted
  - Plans in place for more Special Education buses and drivers
- Staff shortages in Nutrition Services and other places
  - Several suggestions were given on promoting and advertising positions
- The vote on November 6
  - Plans for money received if both 4A and Amendment 73 are passed

#### **Coming Up**

- There is a big vote coming up in November. Get out and talk to your coworkers about the Bond Issue and Amendment 73.
- In November, our guest speaker will be Dr. Tera Helmon, Assistant Superintendent.
