# CORE Pride Recognition Assembly

Powell is changing how we honor students to include more characteristics exemplifying overall citizenship.

1. We will hold a recognition assembly each quarter
2. Students may be nominated and receive recognition for exemplifying consistent and ongoing exceptional displays of CORE values.
3. Students will be nominated by teachers for this recognition.
4. Students may receive a CORE Pride Award for any one of the four specific CORE values OR they may receive a CORE Pride award for being all-around CORE-Minded.
5. Earning all A's or all A's and B's will still be recognized each semester, although it will be a part of this new assembly. There will be no separate Honor Roll assembly.
6. The assembly will take place during CORE+ time, by grade levels, in the gym. All students will attend the assembly as all students have the potential to be recognized.
7. No refreshments will be served...no "honor rolls." 😁

<b>Honor Roll</b>	<b>CORE Card</b>		

- CORE Pride Awards recognize individuals who are exemplary in any one of the specific CORE values or all around CORE-minded.
- Students who receive CORE Pride Awards will be asked to stand at their seats during the assembly to be recognized.
- CORE Pride Awards will replace Puma Excellence awards.
  - The all-around CORE Pride Award encapsulates much of what was the Puma Excellence award in a new way.

# CORE Pride Poster

- Students receive a CORE Pride Poster to be placed on their locker when they:
  - receive a CORE Pride Award (quarterly)
  - earn a spot on the all A or A/B honor roll (semester)
  - win a CORE card drawing (weekly)
- A stamp or a sticker will go in the appropriate box for the recognition the student has earned.
- These locker posters will remain up all year long as a reminder of how awesome Powell students are!
- Students will be given the choice to place the poster on the inside or the outside of their locker.

How wonderful to see students showing Powell's CORE values and just how many lockers we can cover in CORE Pride Posters!

# CORE Cards

- CORE Cards are given to students to recognize a specific instance of displaying CORE values.
- When given a CORE card, students stop by the office on a passing period, before school, or after school to drop the CORE card in the bucket for our weekly drawing.
- Drawings for CORE cards will be held weekly during lunch for each grade level. If a student's name is drawn, he or she will receive the winnings right then and there.

# Honor Roll

We are shifting from the traditional Honor Roll Ceremony to a Recognition Assembly so we can celebrate a wider variety of attributes, skills, and achievements and therefore, honor more students.

- Academics will still be recognized each semester at the CORE Pride Recognition Assembly.
- Students who earned all A's or A/B's will be asked to stand at their seats to be recognized.
- The CORE Pride Posters are the equivalent of a student receiving a certificate.

It's a great day to be a Puma!
