

Pre-Apprenticeship with Centura Health

Centura Health and Arapahoe Community College are partnering to provide a Pre-Apprenticeship program in Allied Health fields. This one of a kind opportunity allows students to learn about various roles that are vital to the healthcare industry.

The Pre-Apprenticeship program includes a concurrent enrollment course and job shadowing experiences in the following occupations:

- Nutrition Services
- CNA
- Sterile Processing
- Surgical Technician
- Phlebotomist
- Medical Lab Technician
- Medical Assistant
- Radiology Technician

Shadow rotations will take place at Littleton Adventist and Porter hospitals on a bi-weekly basis. The Pre-Apprenticeship program is open to Juniors and Seniors.

Program requirements include willingness to obtain a flu shot, a background check, required vaccinations and the ability to transport themselves.

Contact your school counselor for information on how to enroll!
