***CHANGES IN PRACTICE FOR ELEMENTARY OPEN ENROLLMENT
FOR 2023–2024 SCHOOL YEAR**

Because the Board may adopt small boundary changes that affect Ford Elementary families as well as other elementary families, LPS will wait to collect ALL elementary open enrollment applications during Window 2, after the Board’s possible action on elementary boundaries. It is important that all elementary families have the opportunity to learn about possible boundary changes and subsequently make enrollment decisions that are best for their families.

THANK YOU FOR COMING!
