Google CS First

Empowering all students to create with technology through free computer science clubs

Lois Lenski is pleased to introduce Google CS Club to our 4th and 5th grade students. Mrs. Wilhelm will facilitate this computer science club on Thursday afternoons from 2:35 to 3:50 in the Lenski Computer Lab. Students will code fun animation projects using computer science and Scratch! No previous computer experience is necessary and students will be accepted on a first come/first served basis.

Important registration information:

- Attendance at ALL weeks of this session is mandatory. If you cannot attend all weeks please do not register for this session.
