LPS Foundation Spotlight February 2023

Community Collaboration is Key for East Community Center

At a series of meetings last fall, LPS community members came together to cast a vision for the East Community Center. The Center will be on the current East Elementary School property. The goal of the meetings was to engage the community in the planning process to make sure the center serves the needs of its constituents. We were thrilled to support this important project in many ways.

First, we received a grant to cover the cost of an independent facilitator for the meetings so LPS employees could engage in the process without district dollars being allocated away from student learning. The

facilitator's strategic expertise and objectivity were also essential to the process. Additionally, we secured funds to help cover the cost of meals, childcare, and translation services, so community members could attend the meetings without barriers. Lastly, our board members, staff, and volunteers served at the meetings by helping with check-in, childcare, dinner service, and more.

Melissa Cooper, Assistant Superintendent of Learning Services, presented the meeting recommendations at a Board of Education workshop on November 17, 2022. You can view her presentation [here](#). Next up, the steering committee will create a business, management, and implementation plan. We'll be sure to keep you posted about the progress of the community center in future communications.

The countdown is on, and it's pretty exciting! This year's Spirit Celebration will be quite an adventure, and we want you there with us as we Take Flight to support LPS students and staff. Mark your calendar for **Friday, April 14, 2023**, and get ready to book your tickets! Details will be available soon.

Novedades de la Fundación LPS de Febrero de 2023

La colaboración de la comunidad es la clave para el Centro de Comunidad del East

Durante una serie de reuniones en el otoño pasado, los miembros de la comunidad de LPS se juntaron para lanzar una visión para el Centro de la Comunidad del East. El centro estará localizado en la propiedad de la Escuela Primaria del East. La meta de las reuniones era involucrar a la comunidad en el proceso de planificación y estar seguros de que el centro satisface las necesidades de sus constituyentes. Estamos encantados de apoyar este importante proyecto en muchas maneras.

Primero, recibimos una subvención para cubrir el costo de un facilitador independiente para nuestras reuniones para que los empleados de LPS pudieran participar en el proceso sin que el distrito tuviese que asignar recursos fuera de la enseñanza a los estudiantes. La experiencia estratégica profesional del facilitador y la imparcialidad del facilitador también eran esenciales en el proceso. Además aseguramos fondos para cubrir el costo de los alimentos, la guardería, y los servicios de traducción para que los miembros de la comunidad pudieran asistir a las reuniones sin obstáculos. Finalmente, nuestros miembros del consejo, el personal y los voluntarios cumplieron en las reuniones ayudando con el registro del cuidado de niños, el servicio de cena, y más.

La Superintendente Adjunta de Servicios de Enseñanza, [Melissa Cooper](#), presentó las recomendaciones de la reunión en uno de los talleres del Consejo de Educación que se realizó el 17 de noviembre de 2022. Usted puede ver la presentación [aquí](#). Luego, el comité directivo creará un plan empresarial, de gestión y de aplicación. Le mantendremos informado de los progresos sobre el centro de comunidad en nuestras futuras comunicaciones.

La cuenta atrás ha empezado y es bastante emocionante. La celebración del *Spirit* este año será una gran aventura y nosotros queremos que usted esté con nosotros mientras emprendemos el vuelo para apoyar a los estudiantes y al personal de LPS. Apunte en su calendario el viernes 14 de abril 2023 y prepárese para reservar sus boletos. Los detalles estarán disponibles dentro de poco.
