**BOTANY CLUB** - Please join us for Botany Club! We have an enormous tomato plant and a bunch of peppers that are doing great, and we need to start a bunch of other plants. We will meet from 3:30 to 4:00 pm every week after school - on Mondays for the A-K group and on Tuesdays for the L-Z group. We can only have four students in the Greenhouse at one time, so we may need to rotate students around if we run out of space. In order to participate, you will need to submit a permission slip signed by your parents. Just bring the completed form to your first club meeting. Mr. Rudolph and Mrs. Ferris in Science have copies of the permission slip or you can get one from Ms. James in the Activities office. Botany Club is an amazing club where you get to play with dirt, grow plants, and be up on the roof in our greenhouse (at the top of stairwell A). All students are welcome to join!

**REGISTRATION INFORMATION:** Registration for the 2021-2022 school year for all current 9th-11th grade students will begin the week of February 22. Students were presented with the information during Advisory in January, and all information is on the [Heritage HS Registration Website](#). Students should review all the documents and the Registration Worksheet prior to February 22. Instructions on how to enter courses into Infinite Campus will be posted to their Advisory Google Classroom and the Registration Website by February 18. The online registration window will be open February 22-26.

**ATTENTION JUNIORS:** The statewide SAT exam will be given here at Heritage on Tuesday, April 13. There is no need to register for this exam - all juniors are automatically signed up to take it. There is an option to take the SAT with the Essay, but you must log into your College Board account to request that portion of the exam. **The deadline to opt into the SAT with Essay is Tuesday, February 16.** All juniors recently received an [email from the district](#) with instructions on how to do this.
