SPRING MUSICAL: Tickets are now on sale for HHS Theatre's spring musical, Xanadu! Based on the Universal Pictures cult classic movie of the same title, which starred Olivia Newton-John and Gene Kelly, *Xanadu* is hilarity on wheels for adults, children and anyone who has ever wanted to feel inspired. Xanadu follows the journey of a magical and beautiful Greek muse, Kira, who descends from the heavens of Mount Olympus to Venice Beach, California in 1980 on a quest to inspire a struggling artist, Sonny, to achieve the greatest artistic creation of all time - the first ROLLER DISCO! (Hey, it's 1980!) But, when Kira falls into forbidden love with the mortal Sonny, her jealous sisters take advantage of the situation, and chaos abounds. Fun for all ages! Xanadu is showing March 22nd-24th at 6:00pm and March 25th at 2:00pm. To purchase tickets, please visit <http://heritagehightheatre.com/buy-tickets> or they can be purchased at the door.

FOR PARENTS:

EPIC CAMPUS UPDATE: Explorative Pathways for Innovative Careers Campus will open to students in August 2023. High school students completed the registration process in February. We had so many students register for classes at the EPIC Campus that some of our pathways are nearly at capacity while other pathways still have availability. If your student is interested in taking classes at the EPIC Campus and did not already sign up, please email Principal Travis Amonson at tamonson@lps.k12.co.us to discuss enrollment. If your student already registered, look for an email the week of February 27th to request specific courses. Would you like more information about the EPIC Campus? [Click here](#) to view our website. Do you need more information about courses? [Click here](#) for the course catalog.

STUDENT FEES: Third quarter fees have been posted in Infinite Campus. This year fees will be added every quarter to your Infinite Campus account under fees. Please take a look at your Infinite Campus throughout the year for updated information.

There are three ways to pay fees:

1. **Pay Online** - Just click on this link to [Infinite Campus](#), click fees to pay online with a credit card or bank account (a small service fee will apply)
2. **Send a Check** - Make check payable to Heritage High School or HHS. Please include on the memo line your student's name or ID number and send payment to Heritage High School, Attn: Bookkeeper, 1401 West Geddes Avenue, Littleton, CO 80120
3. **Send Cash** - If you feel comfortable sending cash with your student you are more than welcome to do that. Please have your student come to the Bookkeeper's window for cash payments.

If you haven't had a chance to purchase a yearbook, make a donation, or pay other optional payments, please go to your Infinite Campus, click fees and scroll down to the bottom of the page and click "Optional Payments".

Please contact the Bookkeeper with any questions: Cruz Long, 303-347-7609, clong@lps.k12.co.us.

PTO POSITIONS OPEN: The PTO is looking for people to step up to fill some empty seats on our board and committees. We are looking for both a vice president and a liaison for HAC and PTO groups. The VP will sit on the board, attend PTO meetings, as well as some ad hoc work to support the board. The HAC/PTO liaison will attend both the Heritage Accountability Committee meeting and the PTO meetings and report back to the groups to make sure there is a connection between both of these important parent groups. Both positions will require about three hours a month of your time! If you're interested in helping out, reach out to hertiagepto@gmail.com.

LPS Foundation Spotlight March 2023

Mastering Math through Play

Who says math isn't fun? No one in Ms. Nelson's class at Options High School. That's because, each Wednesday, students in her class put aside their calculators and reach for strategy board games that enhance their knowledge and make math fun. Ms. Nelson purchased the games thanks to an LPSF teacher grant.

In addition to solidifying math concepts, the games encourage students to be information seekers, problem solvers, data collectors, and broad thinkers, which are all excellent lifelong skills. They also teach collaborative learning and leadership skills. Ms. Nelson says that the students love their new games and continually ask to play them. Novedades de la Fundación LPS marzo de 2023

Dominando las matemáticas a través del juego

¿Quién dice que las matemáticas no son divertidas? Nadie en el aula de la señorita Nelson de la escuela preparatoria Options. Eso es porque cada miércoles los estudiantes en su aula ponen a un lado sus calculadoras y echan mano a juegos de mesa de estrategia que mejoran sus conocimientos y hacen que las matemáticas sean divertidas. La señorita Nelson compró los juegos gracias a una subvención para maestros de la Fundación de LPS (siglas en inglés LPSF).

Además de afianzar conocimientos matemáticos, los juegos animan a los estudiantes a que sean buscadores de información, solucionadores de problemas, recopiladores de datos, y pensadores amplios, todos ellos poseen excelentes aptitudes para toda la vida. También enseñan habilidades de aprendizaje colaborativo y de liderazgo. La señorita Nelson dice que a los estudiantes les encantan sus nuevos juegos y continuamente piden jugar con ellos. Sus donaciones a nuestra campaña *Colorado Dona (Colorado Gives)* financió subvenciones para maestros como ella. Para leer más historias sobre subvenciones a educadores, haga clic [aquí](#).
