SIGN UP FOR THE FALL PSAT/NMSQT:

- **When:** The morning of Wednesday, October 10
- **Who:** Juniors (and sophomores if space available)
- **Cost:** \$16
- **Why:** Juniors seeking one more practice opportunity prior to the SAT next spring or seeking to enter the National Merit Scholarship Competition should take this test. Sophomores seeking an early exposure to this version of the PSAT test will benefit as well.
- **Where to Sign Up:** Register with payment in the Post Grad Center
- **When to Sign Up:** September 17 - October 5
- **Note:** All sophomores will take the PSAT 10 as part of Colorado State Testing in April, and all freshmen will take the PSAT 9 in April.

SIGN UP FOR THE ARMED SERVICES VOCATIONAL APTITUDE BATTERY (ASVAB): Heritage and LPS use student ASVAB scores as a non-recruiting aptitude and career exploration assessment to assist students with identifying occupations that best suit their abilities. The ASVAB is currently one of the State and District adopted measures in both English and Math for demonstrating competency for graduation for current 10th grade students.

- **When:** The morning of Wednesday, October 10.
- **Who:** Open to 10th, 11th & 12th grade students
- **Cost:** No Cost!
- **Where to Sign Up:** Post Grad Center
- **When to Sign Up:** September 10 - October 1. All students **MUST** sign up by October 1.
- **Note:** If you choose to not take the PSAT/NMSQT, you can take the ASVAB. This test will not be used to promote or recruit for military purposes. The scores can be used toward graduation competency.

ATTENTION STUDENTS: Do not use VPNs (Virtual Private Networks) to get around district Wi-Fi firewalls. The firewalls are there for your protection! Students are coming to the Tech Office every day because they have been blocked from the free district-provided Wi-Fi, mostly on their phones. The district will block devices that use VPNs or other apps that try to circumvent the firewall. Students can get **only one** unblock, then the device/student is permanently blocked. If students need to text, they can install something like Google Hangouts or WhatsApp. These apps work because they use the Wi-Fi- and not cell connection. If you have any questions, please stop by the Tech Office (via the Counseling Office) or email Jo Andrews at joandrews@lps.k12.co.us.
