## Weekly Bulletin

### Week of October 3, 2022

**BOYS LACROSSE DINE OUT NIGHT:** Please come support the HHS Boys Lacrosse team on October 3rd at Andy's Frozen Custard! Use the attached coupon and the program receives \$1 for every purchase.

**ATTENTION SENIORS:** Please remember to schedule your individual *Senior Meeting* with your counselor during the last part of September and into October to discuss your personal post-Heritage plans! We want to make sure you have all the information and resources available to you as you consider your options during this exciting (and sometimes stressful!) time. Find your counselor's calendar [here](#) and book an appointment at a time that is convenient for you. We look forward to seeing you soon!

**PSAT/NMSQT:** *The fall PSAT/NMSQT is coming soon!* On Wednesday, October 12th, Heritage will offer this optional exam to interested juniors and sophomores. You can register with payment of \$22 cash or check in the Post Grad Center. Checks should be made payable to Heritage High School. **Why take this version of the PSAT?** In March of each year, 9th graders take the PSAT 9 exam, and 10th graders take the PSAT 10 exam for exposure and feedback to questions similar to the SAT. For juniors this fall, the PSAT/NMSQT represents the last opportunity for a practice test leading towards their SAT exam in April. Also important, juniors seeking to have a chance to qualify for the National Merit Scholarship Competition must take this PSAT/NMSQT to earn a qualifying test result. **Registration is open until October 7th or until sold out.** Don't wait to secure your spot. Bring your \$22 to Post Grad to sign up now.

**GIRLS SWIM & DIVE MANDATORY PRESEASON MEETING:** Girls Swim & Dive will be having a mandatory preseason meeting for all parents and swimmers/divers interested in participating in the 2022/2023 season. This meeting is for both new and returning athletes. The meeting will be held in the Student Center on Wednesday, October 12th at 6:00pm. Please enter the cafeteria from the exterior door on the Student Center patio. The meeting will be addressing what to expect for the season, how to register and how to purchase gear.

**ARMED SERVICES VOCATIONAL APTITUDE BATTERY (ASVAB):** HHS is hosting the Armed Services Vocational Aptitude Battery (ASVAB) test on **Wednesday, October 19th at 9:15am**. The test will be given on the students' personal computers and will run from approx. 9:15-11:30am. The ASVAB scores can be used for graduation proficiency and career exploration. This specific test will not be reported to the military nor be used for military recruiting. Students will be excused from any missed class time, but will be responsible for any missed assignments or assessments. **Spots are limited to the first 50 students who sign up.** Learn more about the ASVAB: <https://www.officialasvab.com/>

- **Who:** Open to 10th, 11th, & 12th graders
- **Cost:** No Cost
- **Deadline to Sign Up:** All students **MUST** sign up by Tuesday, October 11th at 3:31pm
- **Sign up:** Complete this [google form](#)- space is limited to the first 50 students to sign up

## LPS Foundation Spotlight October 2022

---

### Students Become Detectives

Armed with black light pens and a series of clues, Jaxson, Kate and Maya searched their classroom for hints that would help them unlock their next puzzle. The room was buzzing with excitement and teamwork!

These student detectives were solving puzzles that were a part of an escape room kit designed for students and purchased by the LPS Foundation. The kits include many useful tools, such as locking bags, black light readers and pens and different types of locks.

Littleton Academy Teacher, Alicia Cox, says, "Students are learning how to work and communicate effectively in different group settings to solve subject-based problems. For example, to reinforce strategies in solving multiplication and division problems, students had to work together to explain their strategy in order to unlock and move on to the next problem/activity." The process can also be used when reviewing social studies and science units and in demonstrating understanding of grammar classification.

Each escape room kit was \$165, but the gift of hands-on learning is worth so much more. Imagine the innovative educational experience you can provide when you give a gift to the LPS Foundation.

## Lo más Destacado de la Fundación de LPS Octubre 2022

---

### Los estudiantes se convierten en detectives

Armados con bolígrafos de luz negra y una serie de pistas, Jaxson, Kate y Maya buscaron en su salón pistas que les ayudaran a descifrar su próximo rompecabezas. El salón bullía de emoción y trabajo en equipo.

Estos estudiantes detectives estaban resolviendo rompecabezas que formaban parte de un kit de cuarto de escape diseñado para los estudiantes y adquirido por la Fundación de LPS. Los kits incluyen muchas herramientas útiles, como bolsas con cerradura, lectores de luz negra y bolígrafos y diferentes tipos de candados.

La maestra de la Academia Littleton, Alicia Cox, dice: "Los estudiantes están aprendiendo a trabajar y comunicarse eficazmente en diferentes entornos de grupo para resolver problemas basados en la materia. Por ejemplo, para reforzar las estrategias en la resolución de problemas de multiplicación y división, los estudiantes tuvieron que trabajar juntos para explicar su estrategia con el fin de descifrar y pasar al siguiente problema/actividad." El proceso también puede utilizarse para repasar las unidades de ciencias y estudios sociales y para demostrar la comprensión de la clasificación de la gramática.

Cada kit de cuarto de escape cuesta 165 dólares, pero el regalo del aprendizaje interactivo vale mucho más. Imagínese la experiencia educativa innovadora que puede proporcionar cuando hace un regalo a la Fundación de LPS.
