BECOME SUICIDE-ALERT

safeTALK

suicide alertness for everyone

SafeTALK is a three and a half hour program designed by Living-Works Education. It helps prepare participants to identify and connect persons with thoughts of suicide to suicide first aid resources. Most people with thoughts of suicide invite help in some way. Alert helpers learn how to identify those invitations and connect that person with someone who can help keep them safe from suicide.

SafeTALK helps you:

- Avoid missing, dismissing or avoiding suicide;
- Identify people who have thoughts of suicide;
- Apply the SafeTALK steps (Tell, Ask, Listen and Keep Safe)

Things to know before attending:

Powerful video clips illustrate the SafeTALK process. Discussion and practice help stimulate learning.

SafeTALK is not designed for those who have experienced a recent loss of a loved one to suicide.

Participants must be 15 years of age to participate in the training.

Workshop Details:

- Workshop will be held at Newton Middle School, 4401 E. Arapahoe Rd, Littleton, CO 80122 (Please use the Athletics entrance on the southwest corner of the building).
- LPS Employees must register in Performance Matters, course number:10209 Community members: Email registration requests to dhoneker@lps.k12.co.us.
- Free for LPS staff, parents and community members.
- Participants outside Littleton: \$15 fee
