

HHS 10th & 11th Grade Families:

The PSAT 10 (April 15) and the SAT (April 13) exams will be given at Heritage High School. In order to maximize time on the test day and allow students to focus just on the exam, a pre-administration session will be conducted during Advisory on April 1st and 2nd. During this pre-administration session, students will be filling out both required and optional portions of the exam. This will include the College Board Student Search Services questionnaire. Students will be giving their [consent](#) on the day of the pre-administration to complete this portion. If you have any questions, please call the HHS Counseling Office at 303-347-7610.
