

Instructions: Linking your King Soopers Account with Newton Middle School for Community Rewards

The Community Rewards program with the Kroger Family of Companies, including King Soopers, will help us earn money for Newton simply by doing the shopping you already do. Once you link your King Soopers Shopper's Card to Newton, a percentage of the money you spend on groceries, gasoline, and Starbucks there will go to our school when you use your Shopper's Card.

Shopping at any Kroger store will help earn money for our school, so please encourage friends and family, even those out of state, to do this. The below stores are in the Kroger family:

Step 1: Log into your King Soopers Account

Log into your King Soopers account here <https://www.kingsoopers.com/account/communityrewards>, or, if you have an account with a different Kroger store, log into your account with that affiliated store.
