

In Attendance: James O'Tremba, Tonya Brier, Jennifer Regan, Rachel Bryan, Margot Ellis, Megan Oaster

#### AGENDA ITEMS

- DAC information from Tonya
  - Budget, bond, enrollment, long-range planning
  - 3% cost of living increase is being proposed at the state level which would increase the amount of funding per student
  - Bond coming up will include a new NMS and a junior stadium where the current NMS stands (next 3-5 years)
  - The bond proposal will be presented to the board in May
  - CTE pathways were discussed, iCap was discussed, and the board reported regarding community opinion regarding changing start times
  
- Results of our school culture/climate survey
  - This is a lengthy survey done by an outside organization
  - The survey was very positive overall, with the area of greatest challenge being social media
  - There was a big drop in the number of parents who took the survey this year (16%)
  - The survey results will be posted on the NMS in its entirety in the next week or so

#### CONVERSATION ITEMS

- Topics related to late-start

The next BAC meeting is February 15th. We will discuss staffing and budget at this meeting as well as if there are more BAC meetings needed for the remainder of the school year.
