#### CAS news

##### **Seniors: All CAS due March 1**

All CAS experiences must have been logged and approved. Seniors should write all reflections, ensure there are 7-10 experiences for each of the seven learning outcomes, and, finally, request and receive all supervisor reviews. Remember seniors need a total of 150 hours, 50 for the integrated project, and at least 33 creativity, 33 activity, and 33 service.

##### **Juniors: start working on your integrated CAS project**

Juniors should have developed a plan for their 50-hour integrated projects, and received approval from Mrs. Clapsaddle. They should be planning and starting work on those projects this semester, as they must be completed by the first day of school in August.
