

TIAA Financial Essentials

Financial knowledge for all

The financial knowledge to help plan for whatever life brings

TIAA has experience helping people save and invest since 1918. We're proud to share that knowledge with you in the form of a fun, interactive and informative workshop. Here is a workshop that is coming soon to TIAA's Live Webinar Lounge. You're welcome to invite a colleague who may also want to attend!

Equally Prepared:

Financial planning for the LGBT community

You have a responsibility to yourself—and those you love—to prepare for the future. You also need to protect what you've set aside. This interactive workshop covers financial planning issues affecting the LGBT community. TIAA's workshop leader can help you plan for tomorrow by:

- Reviewing the impact of state and federal laws
- Discussing how to assess retirement readiness
- Reviewing the importance of wills, trusts, powers of attorney and health care directives
- Discussing why, even with the U.S. Supreme Court marriage equality ruling, estate planning is important
