WHAT WE DO

KidStage is a theatre and acting class for kids! The curriculum includes concentration, teamwork, improvisation, movement, voice and basic theatre terminology. At the end of the class, KidStage kids will perform for peers and parents. All classes are taught by trained instructors, whose goal it is to teach your child about the excitement of theatre, improve your child's self-confidence, and to provide a safe, fun and interesting environment. KidStage will strengthen your child's confidence as well as build teamwork, leadership, reading, and vocabulary!
