Partnership Opportunities

About Ting

For nearly a decade, Ting Internet has provided towns across the country with lightning-fast, reliable fiber internet service. We're proud to partner with towns that are passionate about not just improving but future-proofing their internet infrastructure. That's why we are proud to be a true community partner in the Greater Denver area!

Ways we can help...

- Event sponsorship
- Newsletter ad placement
- Swag donation
- Volunteer work
- Monetary donation
