

## LPS Foundation Spotlight May 2025

### **In Bloom: Growing a Brighter Tomorrow - Thanks to You!**

With the community's support, the 2025 Spirit Celebration blossomed into a night of hope, community, and impact, **raising more than \$307,000 for the students and educators of Littleton Public Schools.**

These funds will help students grow into their potential and allow educators to cultivate innovation and inspiration in their classrooms. Together, we are planting the seeds of a brighter future.

### **2024-25 LPS Foundation Educator Grants in Action**

**During the 2024-25 school year, we awarded more than \$100,000 in educator grants to 25 LPS schools and programs, bringing learning to life for students.** We highlighted several of these grants in our recent Spirit Celebration video, including:

- Computer science tools and technology for EPIC's Hour of Code
- NOVA's Nest, an entrepreneurship opportunity for kindergarten through 12th-grade students
- Hands-on English language development tools and materials for students at Centennial Academy of Fine Arts Education
- Keyboards for music education at Littleton Academy
- Light boards and a climbing wall safety systems for specials at Field Elementary School
