**Minutes:**

1. Welcome and review agenda
  - a. Diane welcomed committee members and provided an overview of what would be discussed.
2. Discuss last meeting
  - a. No discussion was needed.
3. Upcoming work/timeline - remarks from Superintendent Ewert
  - a. Brian discussed “Big Bucket Work” with the Board of Education
    - i. Urgent vs. Important work
      1. We will always have urgent; how do we make sure we also focus on important?
    - ii. Future effective use of our resources was a major discussion and dovetails nicely with this committee’s work.
      1. Deeper/more thorough conversation with community regarding start/end times.
        - a. Provide recommendation and rationale to Board for discussion in November and action in December.
      2. Early childhood education (ECE) and 5 full-day kindergarten

- a. We want to be sure families that need this have access.
  - b. What does this mean financially? Funding?
  - c. What is happening across the state/country regarding this?
  - d. Facilities?
  - e. Program standpoint: what are the best programs and what do they look like across the state/country?
- 4. Discussion with Western Demographics on [presentation](#).
  - a. Studies started cropping up on adolescent sleep since about 2012–2013.
  - b. Working with Transportation since the spring of 2017 regarding impacts of start time changes.
  - c. We are in a group of 4-5 other districts who would be considering changing start times in the fall of 2018.
  - d. Question regarding when school starts in the year (i.e., after Labor Day)
    - i. Discussion regarding year-round movement to prevent phenomenon called “Summer Learning Loss” but it is not popular--LOTS of parent opposition (mostly due to scheduling, i.e., one kid in elementary on a track system and one in middle school on traditional calendar so they are not on the same academic calendar; therefore, unable to schedule family vacation).
  - e. Some pushback in LPS community on later start times.
    - i. High school kids sometimes provide child care for their younger siblings.
    - ii. High school students have jobs that will be affected.
  - f. Question about increased costs in terms of keeping buses slated for retirement (maintenance, labor, etc.)
    - i. Transportation has estimated these costs and they could be provided if requested.
- 5. Next week:
  - a. Additional speakers: Dr. Scott Siegfried, Associate Superintendent, Cherry Creek School District.
    - i. They are implementing start time changes this upcoming school year.
  - b. Looking ahead:
    - i. August meeting about this transportation/start time topic; hopefully other topics in September’s meeting.
    - ii. Kiosk/open house forums in September/October for community outreach/feedback.
