Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. **Questions? Email [austin@play-well.org](mailto:austin@play-well.org)**

**REALIZE THAT THE LENSKI HEALTH OFFICE WILL BE CLOSED BY THE START OF CLASS, SO WE HAVE NO ACCESS TO MEDICATIONS!**
