

LEGO Engineering at Lois Lenski Elementary School

Pokémon Engineering using LEGO® Materials - Wednesdays 2:35pm - 4:10pm, K-2nd Grade

April 12th - May 17th; 6 sessions, \$115

Calling all Pokémon trainers! With the Pokémon Championship approaching, join our enthusiastic Play-Well Instructors as we build and catch our favorite Pokémon, rescue Pikachu from Team Rocket, take a ride on the S.S. Anne to uncover rare and mystic Pokémon, and battle to see who will hold the title of Pokémon Master. Come along on our journey to catch 'em all!!

Sign up at play-well.org (<https://play-well-registration.com/registration/new/100359>)

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. **Learn more at play-well.org.**
