PBIS Update:

October Word of the Month: Self Awareness

Be a responsible decision maker

Own my actions and words

Lead with kindness

Take other perspectives

We have been working hard learning about our BOLT expectations and earning BOLT tickets! Each month we will focus on a character trait of the month that will help us learn about our expectations. We will start off with a whole school morning meeting to kick off our character trait of the month. Teachers will teach lessons in their classroom around our word of the month!

Morning Meetings:

Every class starts their day with a morning meeting. All students share something about themselves, participate in a group activity, and hear a morning message to start their day! These are an important part of our Little Raven community building and ensuring all students feel they belong!

The Little Raven Newsletter will be shared out on a monthly basis with updates and news pertaining to Little Raven.
