

**Options High School Student Pledge**  
**“Catch the Vision”**

I \_\_\_\_\_ (print please student name), commit to work toward my success as a student at Options High School. In order to accomplish these goals, I pledge to:

- Treat others with dignity and respect, and respect the norms and expectations of Options High School.
- Attend school because consistent attendance at school increases my chances for success. After 3 absences (excused or unexcused) in a 6-week period, I will be subject to an administrative intervention, which will include being placed on an attendance contract and result in a schedule change;
- Follow the OHS closed campus policy. Leaving campus without permission will result in an unexcused absence. I will discourage non-Options students from visiting our campus because they are not allowed on our campus;
- Attend school free of alcohol and other drugs; if found in possession or under the influence of alcohol and/or drugs, I may have to submit to the drug intervention program, which may include drug testing. Options High School is a tobacco-free campus;
- Resolve conflicts in a responsible manner using the school-approved mediation process and accepting Option’s no violence norm. If I am involved in a physical altercation, my daily schedule may change;
- Behave responsibly in the neighborhood and surrounding community because my behavior is a reflection of OHS, and negative encounters will result in a drop; I can apply to re-enter in the next 6-week cycle;
- Participate and do my best on school, district, and state assessments;
- Embody the SIX P’s (Be prompt, be polite, be prepared, be a participant, be positive, and be productive).
