

LPS PARENT WORKSHOP

SEVERE ALLERGY AND ASTHMA NIGHT

When: April 18, 2019 6:30 - 8:00 pm

Where: LPS Educational Service Center
5776 S Crocker Street
Littleton, Colorado 80120

Who: Parents of children with severe allergies and asthma.

LPS' Special Services Advisory Committee, partnering with Children's Hospital, is proud to sponsor this parent workshop in hopes of presenting strategies for supporting students with severe allergies and asthma. Information on school supports will also be presented.

SPECIAL GUEST: William C. Anderson III MD
Assistant Professor, Pediatric Allergy & Immunology
Co-Director, Multidisciplinary Asthma Clinic (MAC)
Associate Program Director, Allergy & Immunology Fellowship
