**Parent Permission to Attend and Participate  
in Co-Curricular Activities**

Your son/daughter is participating in a co-curricular activity as a member of \_\_\_\_\_group/club. As part of this activity, group/club members will have the opportunity to participate in a variety of field trips in the metro Denver area to perform, visit other schools, learn leadership skills, network with our sister schools in the Continental League, listen to guest speakers, engage in competitive activities, do volunteer work as some examples.

We would like to ask for your permission for your student to attend the field trips planned and available/required to members of this group/activity. Your signature below will signify your permission for your student to attend all field trips as a member of \_\_\_\_\_  
For the 20\_\_-\_\_ school year. The sponsor of this group will mail you notification one week prior to each field trip to inform you of the specific activity and its purpose, time, location, and the like. For non-required activities you may choose to have your student not participate; however, we will assume your permission if we do not hear back from you two days prior to the activity.

Enclosed is the standard form for transportation to these activities. Please sign for any local field trips your student may take this school year. Overnight trips will necessitate specific permission forms.

Thank you for your cooperation.
